Originally published in 1960. A non-fiction companion volume to the collectible Rick Brant Science-Adventure Series. Fans of the series include a number of Nobel-prize-winning scientists. This reprint includes easy-to-read chapters about codes and ciphers, slingshots and archery, microscopes and radios, tricks and games, and scientific experiments and how to plan a science project. The Rick Brant series was written pseudonymously under the name John Blaine from 1946-1968. Many millions of the books were sold. Rick Brant was a high school boy who lived on an island off the coast of New Jersey. His father was a world-famous scientist. Rick's best friend was Donald ""Scotty"" Scott and together they have adventures all over the globe usually involving a secret science project of some kind. Please Note: The experiments in the book have not been written with the modern reader in mind. Some may be dangerous and should not be undertaken. As the American election increasingly resembles a production of CATS performed by actual cats, U.S. citizens are looking for a new leader. That leader is Canada, and they want your vote for president of the United States. Since launching their viral video campaign in January, the Canada Party has been covered around the world, including CNN, BBC, the Huffington Post, and German State Television. *America, but Better: the Canada Party Manifesto*, balances the doctrine of American

exceptionalism with a dose of Canadian humility and common sense to secure Canada as the new leader of the free world, by proxy. Their promises: One gay couple will be allowed to marry for every straight couple that gets divorced. The phrase "job creators" will be changed to "job creationists," and they will be given seven days to actually create some. Corporations will still be people, but if they can't provide a birth certificate they will be legally obligated to care for your lawn. Corners will be installed in the Oval Office, and timeouts given to congressmen who can't play nice. Devoted to restoring America to its former glory, the Canada Party will soon have the whole world chanting, "Yes We Canada." The more than one million Canadians who watch "This Hour Has 22 Minutes" will recognize Rick Mercer's "streeters"--the caustically funny rants that have become one of the best-loved segments of the show. Often called Parliament's "Unofficial Opposition," Rick Mercer writes all his rants and is also one of the primary writers for the show. Photos and an eye-catching design set off Mercer's memorable exposes of the pretensions of politicians and the foibles of our society.

RICK MERCER RANTS ABOUT QUEBEC "If Quebec separates it's only gonna get worse... The first thing they're gonna do once they leave is come over. They'll be like the next door neighbour with an Amway catalogue. How are you? I'm fine. No hard feelings, let's start a carpool, can I stay in the guest room, use your currency, go halves on the army, by the way I'm a king now." **RICK MERCER RANTS ABOUT JEAN CHRETIEN** "I wish people would just get off Jean Chretien's back. The man goes to China, he makes a few deals, makes us a pile of cash and what happens? Everyone is all up in arms just because of a few minor human rights violations. Look, Chretien has no choice. My next door neighbour and I, we go halves on firewood, I save money. It's a great deal for me. But there's some soft liberals out there would prefer if I didn't even talk to the man. Okay so he ran over a couple of kids in his car because they were making a racket out on the cul-de-sac. And yes he's got a bunch of youngsters chained to the furnace because they talked back. But hey, it's not like I haven't made my feelings known to the man. I've done my part. One time I said "That's bad." He changed the topic, we went on with our business, had a beer, whatever. My conscience is clear and like Jean Chretien, I cannot afford to jeopardize this very special mutually profitable relationship with my neighbour just because of a few people chained up in his basement. And don't give me any grief here. Hey, I'm only following my Prime Minister's lead." **"AFTERMATH"** Carl fights for the Commonwealth but who is he fighting against? Prepare to enter the mind of one man and share some of his experiences in Ramblings, Rants, and Ravings of a Man. In this collection of essays, author George Robbins touches on a variety of subjects that affect many of our lives?driving, sports, politics, family, and even his fight with depression. The events are depicted as he remembers them, though he has done his best not to embarrass friends and family. With straightforward honesty, he shares some of his deepest thoughts and beliefs on a wide range of topics. For example, he explores how he and his wife handled their children with humor. Although his recollections aren't always fun, he does try to find a humorous side whenever possible?even when it's at his own expense. He refers to himself as ?a piece of work? and ?a work in progress? throughout the book, explaining his reasoning for this view of himself. From road rage to raising children, Ramblings, Rants, and Ravings of a Man offers one man's honest thoughts?possibly a bit more honest

than most. Robbins recalls his sixty years, including the good, the bad, and the unbelievable. From Random House of Canada Limited, a must-read collection of this fall's best non-fiction. It is our richest season yet, and we're thrilled to offer you a taste of our smartest, most persuasive, and thoughtful non-fiction titles. Step back in time and experience the world through the lenses of some of history's most influential and adventuring figures—da Vinci, George Mallory, van Gogh; get to know, in unmatched detail, three of Canada's most intriguing personalities: a beloved hockey coach, a timeless performer, and one of our most entertaining satirists; share in poignant moments of family, love, and loss in unforgettable memoirs; and, engage in some of the most topical debates of today, from religion's role in foreign policy to work-life balance to the Native American experience. Showcasing only the best in non-fiction from Rick Mercer, award-winners Ross King and Wade Davis, Rosie DiManno, Andrew Preston, Sylvie Simmons, Modris Eksteins, Thomas King, and Gretchen Rubin, as well as introducing stories and ideas from bright talents like Will Schwalbe, Gerry Dee, and JJ Lee, Best of Non-Fiction Fall 2012 will capture your imagination and spark your curiosity, bringing you to some of this season's most gripping, reflective, and stirring reads. Fear Did This is the first book in a series of documented, raw facts presented in the cold light of day. It is the story of the transition of a carefree, innocent young man to an inmate within Ohio due to a totally corrupt judicial system in Trumbull County, Ohio. What follows after murder, attempted murder and arrest is an investigation by the author that exposes the corrupt judicial practices of a system that puts Winning Above Justice! NATIONAL BESTSELLER Expanded and Updated and More Furiously Funny Than Ever From Canada's sharpest satirist: a massive eruption of rants—updated to include all of Season 10 of the Rick Mercer Report—plus brilliant essays, three of which were written especially for this book. Illustrated throughout with photos from Rick's encounters and exploits across Canada. "A good rant is cathartic. Ranting is what keeps me sane. They always come from a different place. Take the prime minister, for example. Sometimes when I rant about him, I am angry; other times, I am just severely annoyed—it's an important distinction." —Rick Mercer, from his introduction For almost twenty years, and over sixty issues, Emigre has been a sourcebook of ideas, fonts, images, work, products, and even music for an entire generation of designers. But this visual stimulation may have come at a price: are today's young designers writing passionately enough about what they do? Acting as agent provocateur in Rant, Emigre invites designers, teachers, and critics including Jeffery Keedy, Rick Valicenti, Shawn Wolfe, Kenneth FitzGerald, Denise Gonzales Crisp, Andrew Blauvelt, and Elliott Earls to challenge today's young designers to develop a critical attitude toward their own work and the design scene in general. Rant also signals a transition in the format of Emigre, away from its previous incarnation as a magazine/font catalog toward a series of "pocketbooks" focusing on critical writing about the state of graphic design. Rick North has never spent much time on reflection. For twenty-five years, he has immersed his body and soul in the US Air Force as a forward-looking, self-assured officer. Yet in North's early life, there were no absolutes. Now, as he lies in a hospital bed in Southeast Asia, the victim of a futile war, he begins to contemplate his past as he is carried further and further away from the only life he has known. Raised by illiterate Polish grandparents, North develops the independence and insatiable curiosity that eventually leads

him on an adventurous journey through World War II, where he flies in the Italian campaign and transforms into a steely-eyed, decorated fighter pilot. As he rises in the ranks to colonel, he edges closer to bureaucracy and some of its leaders, dimming his once idealistic views. But after he reluctantly volunteers for the Vietnam War, he is shot down in Laos and saved in a daring rescue event that alters his life forever. Based on a true story, *Throw a Nickel on the Grass* shares one man's incredible and challenging journey through life and war, and his ultimate discovery of true happiness.

Chapter 1 Transforming the Culture Chapter 2 Dimensions and Overview of Bullying Chapter 3 Back to Bullying Basics Chapter 4 Getting Specific About Bullying Chapter 5 Cyberbullying: Unimagined Cruelty Chapter 6 Bully Free Summer Camps Chapter 7 Bullying from Pre-School through Adolescence Chapter 8 Helping Special Needs Students Achieve Success Chapter 9 The Challenges of Changing the Culture Chapter 10 Change Agents Chapter 11 Empowering Students in the Solution Chapter 12 Ten Burning Questions Chapter 13 Parents as Protectors, Partners, and Change Agents Chapter 14 Letters From the Children

Canada's beloved comic genius tells his own story for the first time. What is Rick Mercer going to do now? That was the question on everyone's lips when the beloved comedian retired his hugely successful TV show after 15 seasons—and at the peak of its popularity. The answer came not long after, when he roared back in a new role as stand-up-comedian, playing to sold-out houses wherever he appeared. And then Covid-19 struck. And his legions of fans began asking again: What is Rick Mercer going to do now? Well, for one thing, he's been writing a comic masterpiece. For the first time, this most private of public figures has turned the spotlight on himself, in a memoir that's as revealing as it is hilarious. In riveting anecdotal style, Rick charts his rise from highly unpromising schoolboy ("Rick still owes 15 dollars to the chocolate bar fundraiser" was one of the less brutal items on a typical report) to heights of TV fame, by way of an amazing break as a teenager when his one-man show, "Show Me the Button, I'll Push It. Or, Charles Lynch Must Die," became an overnight sensation—thanks in part to a bizarre ambush by its target, Charles Lynch himself. That's one story you won't soon forget, and this book is full of them. There's the tale of how little Rick stole a tree from the neighbours that's set to become a new Christmas classic. There's Rick the aspiring actor—hitting the road as a new young punk in a vanload of hippies and appearing on stage in Shakespeare—and a wealth of behind-scenes revelations about *This Hour Has 22 Minutes*, *Made in Canada*, *Talking to Americans* and the coming of the mega-hit *Rick Mercer Report*. It's a life so packed with incident and laughter we can only hope that a future answer to "What is Rick Mercer going to do now?" is: "Write volume two." Percy Jackson is about to be kicked out of boarding school...again. And that's the least of his troubles. Lately, mythological monsters and the gods of Mount Olympus seem to be walking straight out of the pages of Percy's Greek mythology textbook and into his life. Book #1 in the NYT best-selling series, with cover art from the feature film, *The Lightning Thief*. It's time to get schifty with this official Rick & Morty Talking Rick Sanchez Bust! Specifications: 3-inch talking bust of Rick Sanchez with five phrases . . . because "Wubba Lubba Dub Dub!" Illustrated mini book included: Learn more about the different Rick-sonas in the multiverse with this 32-page, 2-1/2 x 3-inch profile guide complete with full color images Perfect gift for Rick & Morty fans: Display on a shelf, desk, or bookcase and

show off your love (or distaste) Rick Sanchez Officially licensed: Authentic Rick and Morty collectible Copyright (c) 2023 Cartoon Network. RICK AND MORTY and all related characters and elements (c) & (TM) Cartoon Network. A collection of columns from award-winning journalist Brian Hicks. A must-have gift book: the wit, wisdom, and frequent diatribes of mad scientist Rick Sanchez of Cartoon Network's Rick and Morty, the critically-acclaimed, #1 animated series on TV. For the first time anywhere, the wit, wisdom, observations, rants, raves, and general ramblings of mad scientist Rick Sanchez from Cartoon Network's hit animated TV series Rick and Morty, compiled in one essential volume. Each season Rick and his grandson Morty embark on thrilling domestic and intergalactic adventures, all for the benefit of science (and Rick's inflated ego). But what makes the depraved genius tick? Now Rick is eager to impart his unique (and sometimes disturbing) take on life, love, and everything in-between for the benefit of aspiring mad scientists everywhere. Fully illustrated with color images from the show, The World According to Rick is a collection of Rick's most famous (and not so famous) sayings, monologues, and quotes, complete with a personal introduction by the mad man himself. A truly unique and special book, this collectible is sure to become a cult favorite like the show that inspired it. RICK AND MORTY, ADULT SWIM, the logos, and all related characters and elements are trademarks of and (c) 2018 Cartoon Network. You've heard the expression, "It's the little things that count." Research has shown that little daily practices can change the way your brain works, too. This book offers simple brain-training practices you can do every day to protect against stress, lift your mood, and find greater emotional resilience. Just One Thing is a treasure chest of over fifty practices created specifically to deepen your sense of well-being and unconditional happiness. Just one practice each day can help you: Be good to yourself Enjoy life as it is Build on your strengths Be more effective at home and work Make peace with your emotions Family tried to separate a happily wed couple. But sudden wealth levels the playing field. Family drama tries to come between them, but their love will survive. Canada's pre-eminent satirical commentator brings down the curtain on his hugely successful show in this instant #1 national bestseller. Rick Mercer startled the nation when in 2017 he announced that the 15th season of Canada's most-watched and beloved comedy show the Rick Mercer Report would be the last. As this book reminds us, he quit while he was way, way ahead. Final Report includes blisteringly good rants from the final five seasons and some of the very best rants from the show's early years. And in three brilliant new essays that include a love letter to Parliament Buildings, how Doug Ford became Ontario premier (hint: it had nothing to do with talent) and how he managed not to freak out in the year after the RMR wrapped, Rick, a recipient of a 2019 Governor General's Performing Arts Lifetime Artistic Achievement Award, reveals himself as a comic writer and entertainer at the very top of his game. An award-winning author visits the Namib Desert with a group of former poachers, now conservationists, in search of endangered black rhinos that were saved from extinction by human intervention and cutting-edge conservation techniques. 20,000 first printing. Rick Mercer Report: The Paperback Book is an updated, expanded remix of its bestselling predecessor, Rick Mercer Report: The Book, containing 10,000 words of new material from the show's fifth season. Rick's celebrated rants are some of the sharpest political commentary to be found anywhere in

the country's media, and certainly the funniest. They are featured here, along with other moments from the show — including encounters with Conrad Black, Jean Chrétien, and Anne Murray — and many additional pieces, some of which first appeared on his website. Because when he's not jumping into a lake with David Suzuki or Bob Rae, or helping the leader of the Green Party kill a tree, Rick Mercer likes to relax by blogging. From Kabul, say. Or the bearpit of a leadership convention. Rick Mercer Report: The Paperback Book will help you make sense of five extraordinary years in the life of Canada — or at least laugh despite them. Pickle Rick is back! Bring your favorite Rick and Morty character home with this talking collectible figure of Rick Sanchez's pickle alter ego. It includes: 3-inch squeezable Pickle Rick mounted on a base. Says "I turned myself into a pickle, Morty!" and "I'm Pickle Riiick!" 48-page book on Pickle Rick, featuring full-color illustrations from Rick and Morty Will Henry is an assistant to a doctor with a most unusual speciality: monster hunting! In the short time he has lived with the doctor, Will has grown used to late night callers and dangerous business. But when one visitor comes with the body of a young girl and the monster that was feeding on her, Will's world changes forever. The doctor has discovered a baby Anthropophagi - a headless monster that feeds through the mouthfuls of teeth in its chest - and it signals a growing number of Anthropophagi. Now, Will and the doctor must face the horror threatening to consume our world and find the rest of the monsters before it is too late... The True Story of a Muslim Middle Eastern Family in the United States by Adam Noor [-----] NEW YORK TIMES BESTSELLER "Reilly pokes more holes in Trump's claims than there are sand traps on all of his courses combined. It is by turns amusing and alarming." -- The New Yorker "Golf is the spine of this shocking, wildly humorous book, but humanity is its flesh and spirit." -- Chicago Sun-Times "Every one of Trump's most disgusting qualities surfaces in golf." -- The Ringer An outrageous indictment of Donald Trump's appalling behavior when it comes to golf -- on and off the green -- and what it reveals about his character. Donald Trump loves golf. He loves to play it, buy it, build it, and operate it. He owns 14 courses around the world and runs another five, all of which he insists are the best on the planet. He also claims he's a 3 handicap, almost never loses, and has won an astonishing 18 club championships. How much of all that is true? Almost none of it, acclaimed sportswriter Rick Reilly reveals in this unsparing look at Trump in the world of golf. Based on Reilly's own experiences with Trump as well as interviews with over 100 golf pros, amateurs, developers, and caddies, Commander in Cheat is a startling and at times hilarious indictment of Trump and his golf game. You'll learn how Trump cheats (sometimes with the help of his caddies and Secret Service agents), lies about his scores (the "Trump Bump"), tells whoppers about the rank of his courses and their worth (declaring that every one of them is worth \$50 million), and tramples the etiquette of the game (driving on greens doesn't help). Trump doesn't brag so much, though, about the golf contractors he stiffes, the course neighbors he intimidates, or the way his golf decisions wind up infecting his political ones. For Trump, it's always about winning. To do it, he uses the tricks he picked up from the hustlers at the public course where he learned the game as a college kid, and then polished as one of the most bombastic businessmen of our time. As Reilly writes, "Golf is like bicycle shorts. It reveals a lot about a man." Commander in Cheat "paints a side-splitting

portrait of a congenital cheater" (Esquire), revealing all kinds of unsightly truths Trump has been hiding. As the wife of the pastor of Divine Revelations, which was one of the fastest-growing churches in her city, it seemed like Pasha had it all. With her husband, she conducted superlative worship services filled with the Holy Spirit. Their church made the couple popular as their house of worship was well known for its music and excellent services. People saw Pasha and Rick as a united power couple, but they had no idea it was only an image. While they lived in a beautiful home in a pristine, gated community overlooking the city, Rick was competitive, combative, and belittling—in that order. Most days, especially Sundays, he was verbally abusive, assaulting everyone around him, but reserving most of his bark for Pasha and her son, Loren. As a coping mechanism, she started tuning Rick out and living like a zombie until one day, she decided she needed to make a change. Debut author and artist Vince Volpert's first collection of short stories, *The Artist's Rant: Crazy Things Happen!*, entails eleven stories, including the story about the narrator, V.V., and the paintings linked to the stories. Published for the enthusiastic, sci-fi, horror, noir, mystery, and fantasy readers alike, these short stories have: love, hate, darkness, happiness, lust, fear, danger, sorrow, anger, deceit, honesty, life, and death. In "Chew, Chew, Chew," experience a man confronted by a storyteller with a fantastic tale about surviving a town full of zombies; in "Heave and Hell, I Do," listen to a woman's tale about how heaven and hell waged war, and how the world ended; in "A Sexy Death," witness two women's "girl's night out," being more than what they bargained for; and in "Reaper's Death," experience a man taking over the grimmest job that has ever existed. These stories, along with the others, will make you question morality, rules, and life itself. *The Artist's Rant: Crazy Things Happen!* will make you glad that your reality is nothing like the stories you will read. From the hive mind behind the popular Happy Rant podcast (Ted Kluck, Ronnie Martin, and Barnabas Piper) comes this cornucopia of humorous and thought-provoking critiques of Christian culture. Come for the good-natured cynicism. Stay for the enlightenment. Ted Kluck, Ronnie Martin and Barnabas Piper, hosts of the Happy Rant podcast, take their faith-based back-and-forth from the recording booth to the book page with this collection of insightful and often hilarious takedowns of pastor trends, personality tests, political engagement, and more. The Happy Rant crew have a lot of strong opinions, and occasionally they even agree with each other! Always candid and frequently compelling, Ted, Ronnie, and Barnabas tackle everything from the divisive, hot-button issues within the church to more lighthearted fare that reminds us never to take ourselves too seriously. As entertaining as it is engaging, *The Happy Rant* will help you to think more critically about the world around you and enjoy a laugh or two (or maybe three) along the way. This work examines what happens when comedy becomes political, and politics become funny. A series of original essays focus on a range of programmes, from 'The Daily Show' to 'South Park'. The debut collection of poems by Rick Alley. Witty, irreverent, opinionated, honest, laugh-out-loud funny -- these are just a few of the adjectives that have been used to describe the writing of Rick Reilly, the six-time National Sportswriter of the Year who has entertained the readers of *Sports Illustrated* for 15 years with his unique perspective on the world of sports and life in general. Now, in *The Life of Reilly*, Rick has selected 66 of his finest stories to create a collection that is sure to amuse, inform, and provoke

sports fans and non-fans alike. Andy Quinn is a shy twenty-one-year old college student studying to be a teacher. For most of his life, he'd suspected that he was gay, but being raised in the Bible belt kept him firmly in the closet—until he met Matt. Matt is an out and proud Boston attorney whose strength and confidence finally win Andy over. Deeply in love despite their differences, the two men make plans to marry. However, there is a dark shadow on their happy horizon in the form of a serial killer who is stalking young gay men in Boston. Even more terrifying is the fact that Andy begins having horrific nightmares in which he is experiencing each victim's death. As a child, Andy's mother told him he used to "talk to the angels." Does that mean he is psychic? Or is he just going crazy? Matt is a diehard skeptic who refuses to accept a paranormal explanation. The only one who believes Andy is the relentless police detective in charge of the case. But he is battling his own homophobic feelings in his pursuit of the killer, and Andy can't help but wonder if he will soon be under suspicion himself. The answer hits closer to home than anyone suspects, and Andy must find his strength or lose his very life. This is a book for old and young alike who are not certain of their immortality. It is for those who have doubt, either great or small, that the rose can, indeed, grow on the other side of the wall. This is not a book of theory. Rather it is a book of reality, one of fact. A chance for you to remove the question mark from the end of your life. A collection of three dozen or so fun and heartwarming short stories that progress into a series of conversations with a young boy that tell of his struggle to define his faith. Included in Johnny's dialogue is an in-depth discussion of the world's major religions including Christianity, Judaism, Islamism, Hinduism, Buddhism, Taoism and some others. Each story is structured upon actual quotations from the particular scriptures including the Bible, the Torah, the Koran, the Vedas, the Tripitaka and the teachings of Tao. In an entertaining way they tell what each religion is all about. Similarities and differences concerning the concept of creation, the way one is to live ones life, the intended structure of society, sexual practices permitted and forbidden, and the possibility of an afterlife. And, perhaps, most important of all, an explicit description of what the afterlife will be like in each case. The investigation ends in the Sure Bet, that one need no longer be dependent solely on belief for ones salvation, that there exists scientific proof of a hereafter. A sampling of the stories: Major Similarities among the World's Religions Major Differences among the World's religions The Remarkable Scientific Case for Reincarnation Just What Are We Trying to Save? The Case for Saving Ones BODY' The Case for Saving Ones MIND' The Case for Saving Ones SPIRIT' The Case for Saving Ones SOUL' Explicit Descriptions of the Hereafters: The Taoist heaven The Hindu heaven The Buddhist heaven The Muslim heaven The Jewish heaven The Christian heaven We live in a multifaith society: an ever-growing, diverse cultural climate, where no religion is viewed as having a monopoly on truth. It is important when that Christ-followers not only share the Word of God but also listen and learn how to interact meaningfully with those of diverse perspectives as we engage in life's most important conversations. Connecting Christ encourages believers to be not only better communicators and witnesses but also listeners to people of other worldviews and traditions—skills that are crucial in defending against today's negative connotations and ineffective approaches associated with Christian evangelism. With extensive commentary from leaders of various walks of faith and life — from

Judaism to Islam and Buddhism to atheism—theologian and author Dr. Paul Louis Metzger offers a spiritual compass to help navigate the intimidating yet critical dialogue of conveying our faith in Christ. Filled with practical guidance and insight into controversial topics, such as hell, fascism, and homosexuality, *Connecting Christ* reveals that there is a way of evangelizing that is neither disengaging monologue nor silent, lifestyle ministry but is, instead, an approach for evangelism and dialogue to go hand-in-hand. We must remove ourselves as the stumbling block to salvation for others and embrace a way to proclaim the uncommon, compassionate God revealed in Jesus Christ—the Savior this world is dying to know.

Talking to Ghosts at Parties is Rick White’s debut collection of thirty short (and very short) stories woven together across time, space and astral planes. An orphaned girl becomes a cat, a werewolf battles a distaste for his bistro’s clientele, a man lives in a tower made of memories. Dark, poignant and funny — these are stories of how absurd it is to be human, how brave it is to be alive. A breakout collection of stories full of unforgettable outcasts, underdogs, losers and oddballs by an author uniquely attuned to the restless rhythms of the offbeat. *Talking to Ghosts at Parties* dives deep and deftly examines the daily foibles of those on the fringes of modern life. A pitch-perfect portrait of an absurd world that demands revisiting and reliving and confirms Rick White as a spectacularly original, iconic and important voice in contemporary culture.

Stuart Brodie is a Scottish deer stalker with a dark past. But the past doesn't stay buried and Stuart against his will becomes tangled up with drug dealers and dangerous psychopaths. Luckily Stuart has Detective Ryan Jones to help him out and soon the unlikely partners are working together against a deadly enemy. This fast paced crime thriller twists and turns from Asia to London to Scotland keeping the reader guessing to the end. #1 New York Times bestseller! A respected, long-time Republican strategist, ad-maker, and contributor for *The Daily Beast* skewers the disease that is destroying the conservative movement and burning down the GOP: Trumpism. Includes an all-new chapter analyzing Trump’s impact on the 2018 elections. In the #1 New York Times bestselling *Everything Trump Touches Dies*, political campaign strategist and commentator Rick Wilson delivers “a searingly honest, biting funny, comprehensive answer to the question we find ourselves asking most mornings: ‘What the hell is going on?’” (*Chicago Tribune*). *The Guardian* hails *Everything Trump Touches Dies*, saying it gives, “more unvarnished truths about Donald Trump than anyone else in the American political establishment has offered. Wilson never holds back.” Rick mercilessly exposes the damage Trump has done to the country, to the Republican Party, and to the conservative movement that has abandoned its principles for the worst President in American history. Wilson unblinkingly dismantles Trump’s deceptions and the illusions to which his supporters cling, shedding light on the guilty parties who empower and enable Trump in Washington and in the media. He calls out the race-war dead-enders who hitched a ride with Trump, the alt-right basement dwellers who worship him, and the social conservatives who looked the other way. *Publishers Weekly* calls it, “a scathing, profane, unflinching, and laugh-out-loud funny rebuke of Donald Trump and his presidency.” No left-winger, Wilson is a lifelong conservative who delivers his withering critique of Trump from the right. A leader of the Never Trump movement, he warned from the start that Trump would destroy the lives and reputations of everyone in his orbit, and *Everything Trump Touches*

Dies is a deft chronicle the tragicomic political story of our time. From the early campaign days through the shock of election night, to the inconceivable train-wreck of Trump's first year. Rick Wilson provides not only an insightful analysis of the Trump administration, but also an optimistic path forward for the GOP, the conservative movement, and the country. "Hilarious, smartly written, and usually spot-on" (Kirkus Reviews), Everything Trump Touches Dies is perfect for those on either side of the aisle who need a dose of unvarnished reality, a good laugh, a strong cocktail, and a return to sanity in American politics. You've got to—belch!—roll for initiative, Morty! Two pop culture juggernauts are teaming up and neither multiverse is prepared for what comes next! When Morty sees a cute girl at school playing Dungeons & Dragons, he asks Rick to show him the ropes, only to discover that his grandfather is a veteran gamer. Next thing he knows, the entire family has been pulled into a campaign that escalates from virtual D&D simulations to alternate universes governed by the rules of the game. And as it turns out, Rick isn't the only one who knows his way around a d20.

INSTANT #1 NATIONAL BESTSELLER Canada's beloved comic genius tells his own story for the first time. What is Rick Mercer going to do now? That was the question on everyone's lips when the beloved comedian retired his hugely successful TV show after 15 seasons—and at the peak of its popularity. The answer came not long after, when he roared back in a new role as stand-up-comedian, playing to sold-out houses wherever he appeared. And then Covid-19 struck. And his legions of fans began asking again: What is Rick Mercer going to do now? Well, for one thing, he's been writing a comic masterpiece. For the first time, this most private of public figures has turned the spotlight on himself, in a memoir that's as revealing as it is hilarious. In riveting anecdotal style, Rick charts his rise from highly unpromising schoolboy (in his reports "the word 'disappointment' appeared a fair bit") to the heights of TV fame. Along the way came an amazing break when, not long out of his teens, his one-man show Show Me the Button, I'll Push It. Or, Charles Lynch Must Die, became an overnight sensation—thanks in part to a bizarre ambush by its target, Charles Lynch himself. That's one story you won't soon forget, and this book is full of them. There's a tale of how little Rick helped himself to a tree from the neighbours' garden that's set to become a new Christmas classic. There's Rick the aspiring actor, braving "the scariest thing I have ever done in my life" by performing with the Newfoundland Shakespeare Company; unforgettable scenes with politicians of every variety, from Jean Chretien to George W. Bush to Stockwell Day; and a wealth of behind-the-scenes revelations about the origins and making of This Hour Has 22 Minutes, Made in Canada, and Talking to Americans. All leading of course to the greenlighting of that mega-hit, Rick Mercer Report . . . It's a life so packed with incident (did we mention Bosnia and Kabul?) and laughter we can only hope that a future answer to "What is Rick Mercer going to do now?" is: "Write volume two."
