No Way Out: Kari by Jaid Black Story 11 in the series Trek Mi Q'an. Written to stand-alone, but we recommend you read the stories in sequence for maximum enjoyment. Whisked from Earth to the matriarchal planet of Galis by forces unknown, Kara Summers finds refuge in the mountainous crystal fortress of the Gy'at Li sector. Taken in and renamed Kari by the sector's High Mystik, she spends

seventeen years being honed into a formidable warrior. Sent to Crystal City to complete her training, Kari Gy'at Li knows there is one species of male she must avoid at all costs because of their proclivity for stealing women-the warriors of Tryston. When Kari is hunted by an eight-foot-tall muscled warrior, she realizes what she must do-vanquish the predator or become the prey. This book gives readers the backstory on Kari and Death; their total story will be told over the course of the next three books. Escape by Tara Nina Paoni Warrior Shia must capture or kill Kal, an escaped Lanius-the worst of alien

criminals-but she has no idea who she is truly up against. Kal knows his imprisonment was unjustified. Turning the tables, he takes Shia captive, igniting her curiosity and a lust she can't control. But siding with him will put both her heart and her life on the line. Reader Advisory: These stories have graphic sexual language and scenes-no closed bedroom doors (or other rooms) here! **Ynyr** Feb 06 2021 Ynyr was a third male, and while he was a fit and worthy Warrior, he had always known that no female would ever join with him. Too many looked down on his family because of his mother's refusal

to leave his manno. He knew Ull would be able to overcome this because he was a first male and would one day be a Lord. Maybe even Vali, since he was a second male, but neither Ynyr nor his younger brother Zev would ever be acceptable to a female. The most they could hope for was to serve their House with honor but that all changed with the arrival of the females from Earth. Abby's life had not been an easy one, especially after the death of her family when she had been sixteen, but she had thought things were finally looking up. She was a year away from achieving her dream of becoming a teacher. Soon she would be making a

difference in the lives of children others had given up on... that all changed when she was abducted by the Tornians. Ynyr and Abby had come together in the most unusual of ways, but that was just the beginning of their unique relationship. Together they had to do something no other Lord and Lady had to do. They had to take a House that had been destroyed by deceit and evil and turn it back into the worthy and respected House that it had once been. Will the secrets left behind by Bertos and Risa tear them apart? Or will it be Abby's secret and Ynyr's reaction to it that does?

Intentional Abduction Jun 29 2020 She intentionally abducted him because of his prowess, so when the chance arose, he stole her for revenge. Aylia is on a quest to get pregnant, and in the time-honored tradition of her people, she must find a suitable male for the task. Seducing a warrior is harder than she expected, especially when her body turns traitor and melts at his touch. When he flips the situation around and takes her prisoner, he somehow manages to steal her heart. And she might just have to kill him to get it back. Being the scourge of the galaxy comes with

consequences, like females wanting his body--and males wanting his head. After he meets Aylia, he learns that not all battles are fought using fists and knives and the deepest wounds come from the heart Through the vastness of space, brothels and unmentionable places in between, can this stubborn pair overlook their pride and past to come together? Or will they forever abduct each other, unable to admit their love?
