Cyrion Jul 02 2020 He came to the Honey Garden looking for Cyrion. He was a man in grave danger, convinced only one man alive could help him. A man he had heard about in song and story. A man practically everyone knew something about. A man he had never met. CYRION Some said he was the stolen son of a western king, raised by nomads in the desert. A freelance swordsman, a sorcerer, a master of disguise, some said he attracted bizarre, uncanny events as some persons attract misfortune. He with hair like the sky of earnest sunrise, his fair complexion, his whiplash reactions and quicksilver elegance was like a being from another world. A legend. A myth. But was he real? And was he for hire?

Zen & the Art of MIXING Sep 27 2022 Mixing is an Attitude

When I think back to my best mixes—regardless of their commercial success—in each and every case, I can only describe the experience as one in which I was working from deep within, outside of any external forces. I wasn't thinking; I was doing. I wasn't scared of what anyone would think. I wasn't scared of failure. All my decisions were made with confidence, and once a judgment was made, I didn't second-guess myself. I allowed the music to guide me, and I based all of my mix decisions on nothing more than one simple criterion: Are the song and production doing what they're supposed to be doing?

That sounds nice, huh? I mean, that's the headspace you want to be in when you're mixing! The problem is, you can't get there if you're focused on all the wrong things, and we're all susceptible to distraction and self-doubt. Great mixing involves trusting yourself, first and foremost. And I can promise you, that trust is downright infectious to everyone on your project.

Who Am I?

I'm Mixerman, a gold and multi-platinum mixer, producer, and recordist. I've been mixing professionally and at a high level for over three decades now., and I can assure you, great mixing isn't about manipulating sound. It's about the decisions you make in regards to the music, the balances, and how you use the arrangement to push the listener forward through the song. This is accomplished through concrete strategies and techniques, that I'm uniquely qualified to offer you.

Boost Your Confidence Now

You can spend the next decade mixing two songs a day to get there. Or you can get **Zen & the Art of MIXING 2021**, and I'll explain the thinking behind great mixing. And then watch your confidence soar.

There's a reason why this is my most popular work, to date. Enjoy, Mixerman

Inside My Mother Jul 26 2022 ‘...an outstanding achievement that will, with its skill and elegance, deeply enrich Australian poetry and whoever reads it.’ Judges’ citation, 2013 NSW Premier’s Literary Award for Poetry. Ali Cobby Eckermann, a Yankunytjatjara/Kokatha poet, is at the forefront of Australian Indigenous poetry. Inside My Mother is both a political and personal collection, angry and tender, propelled by the need to remember, yet brimming with energy and vitality – qualities that distinguished her previous, prize-winning verse novel, Ruby Moonlight. Tributes to country, to her elders, and to the animals and spirits that inhabit the landscape, coupled with the rhythms of mourning and celebration that pulse through the poems, make this a moving and personal collection. Grief is deeply felt and vividly portrayed in poems such as ‘Inside My Mother’ and ‘Lament’. There is defiance and protest in ‘Clapsticks’ and ‘I Tell You True’. In the final section there is a marked generational shift as the elders begin to pass away and the poet as grandmother comes to accept her rightful place as matriarch.
