Legends and Lore of Sleepy Hollow and the Hudson Valley Apr 10 2021 A storyteller examines Irving's "The Legend of Sleepy Hollow" and the lore that

inspired it, as well as other local legends of the Hudson Valley. The story of Ichabod Crane and the Headless Horseman is one of America's best-known fables, but what other stories does the Hudson Valley hold? Imps cause mischief on the Hudson River, a white lady haunts Raven Rock, Major Andre's ghost seeks redemption and real headless Hessians search for their severed skulls. These mysterious and spooky tales from the region's past inspired Irving and continue to captivate the imagination to this day. "Kruk has been enchanting audiences with his dramatic, enticing storytelling ability for 20 years." —Suzanne Rothberg, Tarrytown-Sleepy Hollow Patch

Talking to Canadians May 11 2021 Canada's beloved comic genius tells his own story for the first time. What is Rick Mercer going to do now? That was the question on everyone's lips when the beloved comedian retired his hugely successful TV show after 15 seasons—and at the peak of its popularity. The answer came not long after, when he roared back in a new role as stand-up-comedian, playing to sold-out houses wherever he appeared. And then Covid-19 struck. And his legions of fans began asking again: What is Rick Mercer going to do now? Well, for one thing, he's been writing a comic masterpiece. For the first time, this most private of public figures has turned the spotlight on himself, in a memoir that's as revealing as it is hilarious. In riveting anecdotal style, Rick charts his rise from highly unpromising schoolboy ("Rick still owes 15 dollars to the chocolate bar fundraiser" was one of the less brutal items on a typical report) to heights of TV fame, by way of an amazing break as a teenager when his one-man show, "Show Me the Button, I'll Push It. Or, Charles Lynch Must Die," became an overnight sensation—thanks in part to a bizarre ambush by its target, Charles Lynch himself. That's one story you won't soon forget, and this book is full of them. There's the tale of how little Rick stole a tree from the neighbours that's set to become a new Christmas classic. There's Rick the aspiring actor—hitting the road as a new young punk in a vanload of hippies and appearing on stage in Shakespeare—and a wealth of behind-scenes revelations about *This Hour Has 22 Minutes*, *Made in Canada*, *Talking to Americans* and the coming of the mega-hit *Rick Mercer Report*. It's a life so packed with incident and laughter we can only hope that a future answer to "What is Rick Mercer going to do now?" is: "Write volume two."

Including work by artists Yun Gee, Helen Lundeberg, Henry Taylor, Richard Diebenkorn, Albert Bierstadt, Chiura Obata, and Judith Baca, among many others, art historian Jenni Sorkin tells California's story as a place at the forefront of radical developments in artistic culture. When celebrated and respected agent Fritz Hudson passes away, he leaves a trail of Hollywood glory in his wake—and two separate families who never knew the other existed. Allie and Des Hudson are products of Fritz's first marriage to Honora, a beautiful but troubled starlet whose life ended in a tragic overdose. Now Fritz is gone, and the three sisters are brought together under strange circumstances: there's a large inheritance to be had that could save Allie from her ever-deepening debt following a disastrous divorce, allow Des to open a

rescue shelter for abused and wounded animals, and give Cara a fresh start after her husband left her for her best friend—but only if the sisters upend their lives and work together to restore an old, decrepit theater that was Fritz's obsession growing up in his small hometown in Pennsylvania's Pocono Mountains. Hudson's Luck Oct 24 2019 Hudson: Don't ever accidentally propose to your girlfriend. In front of her family. Especially if her dad is your boss. Because when you make it clear you've made a mistake, he's likely to send you out of the country to get you as far away from his broken-hearted daughter as possible. It happened to me. Now I'm stuck in Ireland trying to redeem myself so I can get promoted and have the life I've planned for: successful career, loving wife and kids, a comfortable, financially-secure home life in Texas. But all of that seems to evaporate the moment I walk into the historic pub and see the most beautiful woman I've ever seen. Only, he's not a woman. Charlie Murray is most definitely a man—the kind of man who causes me to take a second look for the first time in my life. And a third look, and fourth. I can't help but want to get to know him better... to get close to him, touch him, maybe even kiss him. But I'm straight. Or so I've always thought. Even if I'm not, how in the world could a feisty Irishman ever fit into the safe, predictable life I've always planned for? Charlie: Don't ever accidentally fall for the straight guy. Especially when he's trying to pry your family's business right out from under you. I should know. Because when Hudson

Wilde walks into my family's pub and begins babbling so adorably, I can't help but fall just a little bit in love. But I'm looking for Forever Man, and the sexy American is certainly not him. He's so confused about what he wants, even choosing something from the dinner menu throws him into a fuddle. But those eyes... how can I resist? So maybe I'll give in. One steamy night before he heads home and I go back to life at the pub. We'll never see each other again. Until, of course, his business deal sends me to Hobie, Texas, right into the middle of Hudson's steady life, more gay Wildes than can fit on a dance floor, and an ex-girlfriend who may or may not be content remaining an ex. But the more time I spend with Hudson, the more I think he might be my Forever Man after all. And I may be his. Is it possible we could both be so lucky? Hudson's Luck is the fourth book in the Forever Wilde series but can be read on its own. Beware it includes 93k words of delicious man parts touching, grandfathers meddling, neighbors nosy-ing, dogs fornicating, cats being cats, horses... ah, crunching apples? or something... and one very flirty Stevie.

A Humument (Final Edition) Sep 22 2019 In 1966 the artist Tom Phillips discovered *A Human Document* (1892), an obscure Victorian romance by W.H. Mallock, and set himself the task of altering every page, by painting, collage or cut-up techniques, to create an entirely new version. Some of Mallock's original text remains in tact and through the illustrated pages the character of Bill Toge, Phillips's anti-hero, and his romantic plight emerges. First published in 1973, *A Humument* - as Phillips titled his altered book - quickly established itself as a cult classic. Since then, the artist has been working towards a complete revision of his original, adding new pages in successive editions. That process is now finished. This 50th anniversary edition presents, for the first time, an entirely new and complete version of *A Humument*. This edition includes a revised Introduction by the artist, reflecting on the last 50 years' work on this project, and 92 new illustrated pages. A Special Limited edition is also available: this presents a copy of the 50th anniversary edition in a clamshell box with a limited-edition print, signed by the artist.

**Unemployable** May 31 2020 "Clearly we were unemployable. To the outside that meant we were losers with juvenile hobbies and no future. To us, it meant not following a conventional life path. We wanted a grown-up life that would match

our teen lives: optimistic, innovative, and fun.” —Globe cofounder Matt Hill From the 1970s underground Melbourne skate scene to a company with a presence in over one hundred countries, *Unemployable* is the story of how three Australian brothers—Stephen, Peter, and Matt Hill—founded one of the world’s biggest skate, street, and surf companies, Globe International. Throughout several iterations, the company was the first Australian skate shoe player; a creator and distributor of leading streetwear fashion labels such as Stüssy, Mossimo, Obey, and Mooks; a producer of celebrated skate and surf movies; and from its earliest beginnings, a business that recognized the importance of connecting to the customer. Beyond the story of the Hill brothers, the book features a large cast of players who ran Globe’s debauched skate tours, infamous industry parties, exotic surf contests, frenzied stadium events, cutting-edge fashion parades, and red-carpet launches. In addition, it includes over 190 exclusive contributions from Globe insiders and untold tales from the world’s most respected skaters and surfers including Rodney Mullen, Tony Hawk, CJ and Damien Hobgood, and many more. It also touches on Globe’s affiliations beyond action sports. A story about following your dreams, *Unemployable* will resonate with a broad range of readers beyond a purely skate/surf/street audience.

His early years, the development of his technique and style, his relationship with the Surrealists, his exploitation of Freudian ideas, and the image which Dali created of himself as the mad genius artist are all explored in this brilliant and thought provoking study.

**Mona Kuhn: Works** Dec 26 2019 A stunning career retrospective of Mona Kuhn, one of the leading figures in contemporary art photography. Mona Kuhn is one of the most respected contemporary photographers of her time, best known for her large-scale photographs of the human form. Throughout a career spanning more

than twenty years, the underlying theme of her work is her reflection on humanity's longing for spiritual connection and solidarity. As she solidified her photographic style, Kuhn created a notable approach to the nude by developing friendships with her subjects, and employing a range of playful visual strategies that use natural light and bucolic settings to evoke a sublime sense of comfort between the human figure and its environment. Her work is natural, restful, and a reinterpretation of the nude in the canon of contemporary art. Kuhn's distinct aesthetic has propelled her as one of the most collectible contemporary art photographers—her work is in private and public collections worldwide and she is represented by galleries across the United States. *Mona Kuhn: Works*, the artist's first retrospective, features images from throughout her career, accompanied by insightful texts by Rebecca Morse, Simon Baker, Chris Littlewood, and Darius Himes. An interview with Elizabeth Avedon provides insights into Kuhn's creative process and the ways in which she works with her subjects and locations, and achieves the visual signature of her imagery. Published to coincide with a traveling international exhibition, opening at Fotografiska in New York, this book introduces Kuhn's distinct aesthetic to a wide popular audience. It is an essential volume for anyone with an interest in the human form in contemporary art.
