**The OCD Workbook for Kids** May 21 2022 Does your child have OCD? In this much-needed Instant Help workbook, kids will learn to identify obsessions and compulsions, understand them, and use simple tools based in exposure and ritual prevention to cope with and overcome this difficult disorder. If your child has obsessive-compulsive disorder (OCD), he or she may suffer from obsessive thinking, use rituals to soothe anxiety, and act compulsively in ways that are disruptive and sometimes harmful. As you know all too well, OCD can greatly interfere with school, friends, and home life. So, how can you help your child be their very best? With this evidence-based workbook for kids, your child will learn how and why they struggle, and gain a greater understanding of what OCD is by identifying common symptoms, including contamination concerns, fear of harm, need for order/symmetry, and excessive doubting. Your child will then be gently guided to name their own symptoms and rate the extent to which each symptom causes them anxiety. The workbook also provides a framework for children to apply exposure and ritual prevention strategies to anxiety-provoking situations independently or with help from you or a caregiver. Detailed instructions for completing exposure exercises will be covered, including how long exposures should last, and how

often they should be repeated. Finally, the workbook will show you and your child how to build a solid support system of family, friends, teachers, and professionals to aid you in managing OCD symptoms and building a lifestyle that will help you both deal with your child's symptoms more effectively. If your child's OCD is holding them back from living the happy childhood you want for them, this easy-to-read and practical workbook can help them cope with symptoms and really thrive—at home, in the classroom, and well into adulthood.

*My Feeling Better Workbook* Jan 25 2020 Presents activities based on cognitive behavioral therapy, play therapy, and art therapy to help children explore their feelings and combat the negative self-talk that depletes their motivation and self-esteem.

Taming the Anxiety Monster Jun 22 2022 Anxiety in children is on the rise, and recent research has uncovered a link between highly imaginative children and anxiety. Using engaging illustrations and fun activities based in cognitive behavioral therapy (CBT), one of the most proven-effective and widely used forms of therapy today, this "Instant Help" workbook presents a unique approach to help children harness the power of their imaginations to reduce anxiety and build self-esteem. Millions of children suffer from anxiety, which can be extremely limiting, causing kids to miss school, opt out of activities with friends, and refuse to speak or participate in a variety of situations.

Furthermore, children who are diagnosed with anxiety or brought into therapy often feel embarrassed about not being normal. Focusing on the problem of anxiety can stress kids out and make them feel ashamed. But when the focus is on their strengths and their vivid imaginations, children are empowered to face their anxiety head-on. "The Anxiety Workbook for Kids" is a fun and unique workbook grounded in evidence-based CBT and designed to help children understand their anxious thoughts within a positive framework a perspective that will allow kids to see themselves as the highly imaginative individuals they are, and actually appreciate the role imagination plays in their anxiety. With this workbook, children will learn that, just as they are capable of envisioning vivid scenarios that fuel their anxiety, they are capable of using their imagination to move away from anxious thoughts and become the boss of their own worries. With engaging CBT-based activities, games, and illustrations and with a focus on imagination training and developing skills like problem solving, assertiveness, positive thinking, body awareness, relaxation, and mindfulness this book will help kids stand up to the worry bully and harness the power of their imagination for good."

*Atomic Habits* Jan 05 2021 The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the

problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

The Relaxation and Stress Reduction Workbook for Kids Sep 13 2021 55 activities to help your family: reduce stress, fear & worry, become more confident, relaxed & resilient, manage difficult emotions.

She Reads Truth Jul 11 2021 She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does

she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.
