Knights Through Time Romance Books 4-6 Jul 11 2021 Read the first three books in this light hearted medieval time travel romance series: Darkest Knight, Forever Knight, First Knight, in this special

offering. Book 1 Darkest Knight A dark and stormy knight...No really. It was storming...and rather dark in the Tower. An unexpected trip to London was supposed to be the perfect distraction from Anna's stress-filled life. Minding her own business, drooling over so many jewels, Anna Waters winds up hopelessly lost and finds herself locked in the infamous tower. Who knew an antique locket would lead her to a knight with a heart buried underneath thirty feet of stone? Searching for a way out, she stumbles over an antique locket with half the picture missing. Lightning strikes and when Anna wakes...she's still in the Tower of London...700 years in the past. She crossed an ocean of time for him. Can she save them both before it's too late? John Thornton almost lost his head and saw his family ruined all because of a woman. Presumed dead, he became the infamous bandit of the wood. Captured and awaiting execution in the Tower of London, a strange woman appears out of the darkness. As they flee across England, John finds himself chipping away at the stone surrounding his heart. And longing for a life with his mysterious rescuer. No matter the cost. Book 2 Forever Knight A tiny scrap of fabric sent her hurtling through time... Elizabeth Smith was good at taking charge. Fixing what she believed was wrong with the world. And then she met a lazy knight with no desire to better himself. A wager lost... Before the rakes of the regency period, there was Robert Thornton, Lord Highworth. Content to spend his days drinking, wenching, and hunting, Robert cared not what happened in the world around him. Let his brothers see to war and fighting. Perhaps if he drank enough he could forget the faces of the dead. Sparks ensue... When Robert offers the strange lass up as the wager, Elizabeth vows to hate him forever. Wanting nothing to do with the lass with beguiling eyes, Robert doesn't know whether to kill her or kiss her... Book 3 First Knight Tumble through time... A dig on the border of Scotland sends a free-spirited damsel tumbling through time to medieval England. Jennifer Wilson was happy spending the summer on a dig and putting off finding a job.

When the earth swallows her during a terrible storm, she finds herself looking at a bustling Somerforth Castle not the ruins she'd been painting. Medieval England is full of interesting sights...and knights. Perhaps she could stay a week or two, it would be the adventure of a lifetime. Pre-occupied with war, Edward Thornton has met strange lasses before. He suspects from whence she comes. But a dangerous threat across the border threatens to tear them apart. Canal House Cooking Volumes 4-6 Oct 14 2021 Volumes four through six in Canal House Cooking's seasonal recipes series, including mouthwatering dishes for the novice and experienced cook alike
Canal House Cooking Volumes Four Through Six is a collection of some of our favorite recipes, the ones we cook for ourselves, our friends, and our families during the summer, fall, and right through the holiday season. They'll make you want to run straight to the store, market, kitchen, or out to the grill and start cooking. In Farm Markets and Gardens we live in the season by shopping at farmers' markets and roadside tables, and gathering the very freshest vegetables from our own gardens. Join us as a "salt-and-pepper cook," making simple yet intensely flavorful dishes such as tomato salad and berry

cobbler. In *The Good Life* we toast the good life and cook lots of big, delicious food. We turn out classic pâtés and terrines; top buckwheat blini with smoked salmon and trout roe; tuck black truffles under the skin of our roasted chicken. We fry apple fritters in the fall and decorate sugar cookies for the holidays. Finally, good cooking relies on good shopping, so in *The Grocery Store* we buy smoked fish to make a delicious creamy stew. Bunches of fat local asparagus go into our shopping cart—we cook them simply and bathe them in a luscious lemon-butter sauce. We choose hearty escarole and tender young spinach and stock up on bags of frozen peas and fava beans to use in so many ways. We buy succulent rhubarb for an early spring tonic or for an Easter dessert, roasted and spooned over crisp meringues.
