One of Time's 12 Books for the History Buffs on Your Holiday Gift List The first single-volume history of Istanbul in decades: a biography of the city at the center of civilizations past and present. For more than two millennia Istanbul has stood at the crossroads of the world, perched at the very tip of Europe, gazing across the shores of Asia. The history of this city--known as Byzantium, then Constantinople, now Istanbul--is at once

glorious, outsized, and astounding. Founded by the Greeks, its location blessed it as a center for trade but also made it a target of every empire in history, from Alexander the Great and his Macedonian Empire to the Romans and later the Ottomans. At its most spectacular Emperor Constantine I re-founded the city as New Rome, the capital of the eastern Roman empire, and dramatically expanded the city, filling it with artistic treasures, and adorning the streets with opulent palaces. Around it all Constantine built new walls, truly impregnable, that preserved power, wealth, and withstood any aggressor-- walls that still stand for tourists to visit. From its ancient past to the present, we meet the city through its ordinary citizens--the Jews, Muslims, Italians, Greeks, and Russians who used the famous baths and walked the bazaars--and the rulers who built it up and then destroyed it, including Mustafa Kemal Ataturk, the man who christened the city "Istanbul" in 1930. Thomas F. Madden's entertaining narrative brings to life the city we see today, including the rich splendor of the churches and monasteries that spread throughout the city. Istanbul draws on a lifetime of study and the latest scholarship, transporting readers to a city of unparalleled importance and majesty that holds the key to understanding modern civilization. In the words of Napoleon Bonaparte, "If the Earth were a single state, Istanbul would be its capital." From Istanbul's most visited locale, M. Kemal Aslan tells the stories of a Turkish Tour Guide featuring some of the

most unbelievable characters to descend upon the beloved Historical City known for its rich culture, soul, and breathtaking beauty. The bizarre experiences shared are based on true events that are heartwarming, laughable, and infuriating all in one adventurous read. The protagonist of this novel, which is fluent with M. Kemal Aslan's ironic style, is human and its nature. No more your story. The world will continue to exist as it turns. Shivya Nath quit her corporate job at age twenty-three to travel the world. She gave up her home and the need for a permanent address, sold most of her possessions and embarked on a nomadic journey that has taken her everywhere from remote Himalayan villages to the Amazon rainforests of Ecuador. Along the way, she lived with an indigenous Mayan community in Guatemala, hiked alone in the Ecuadorian Andes, got mugged in Costa Rica, swam across the border from Costa Rica to Panama, slept under a meteor shower in the cracked salt desert of Gujarat and learnt to conquer her deepest fears. With its vivid descriptions, cinematic landscapes, moving encounters and uplifting adventures, *The Shooting Star* is a travel memoir that maps not just the world but the human spirit. The *DK Eyewitness Turkey Travel Guide* is your indispensable guide to this beautiful part of the world. The fully updated guide includes unique cutaways, floorplans and reconstructions of the must-see sites, plus street-by-street maps of all the fascinating cities and towns.
