In *As If There Were No Tomorrow*, this fascinating 18-year-old young woman tells her story for the first time. Maleen's inspirational message: "Every person's life and fate has positive aspects. You only have to search for them." A drought has settled in the area around the orphanage where Boniface lives. For Jon Meacham, as for believers worldwide, the events of Good Friday**

and Easter reveal essential truths about Christianity. A former vestryman of Trinity Church Wall Street and St. Thomas Church Fifth Avenue, Meacham delves into that intersection of faith and history in this meditation on the seven phrases Jesus spoke from the cross. Beginning with "Father, forgive them, for they do not know what they do" and ending with "Father, into thy hands I commend my spirit," Meacham captures for the reader how these words epitomize Jesus's message of love, not hate; grace, not rage; and, rather than vengeance, extraordinary mercy. For each saying, Meacham composes an essay on the origins of Christianity and how Jesus's final words created a foundation for oral and written traditions that upended the very order of the world. Writing in a tone more intimate than any of his previous works, Jon Meacham returns us to the moment that transformed Jesus from a historical figure into the proclaimed Son of God, worshiped by billions.

In 1918, the Soviet revolutionary government repudiated the Tsarist regime's sovereign debt, triggering one of the biggest sovereign defaults ever. Yet the price of Russian bonds remained high for years. Combing French archival records, Kim Oosterlinck shows that, far from irrational, investors had legitimate reasons to hope for repayment. Soviet debt recognition, a change in government, a bailout by the French government, or French banks, or a seceding country would have guaranteed at least a partial reimbursement. As Greece and other European countries raise the possibility of sovereign default, Oosterlinck's superbly researched study is more urgent than ever.

She is also torn between loving two very different men. Two love stories in one, set in the Canadian west. Introducing Christine and Henry, siblings not by bloodline but by family ties that prove even stronger. A drought has settled in the area around the orphanage where Boniface lives. There are long line-ups at the tiny spring where all the local people get their water, and suddenly the orphans are pushed to the back of the line, unwelcome. Sutton Sharp's life was perfectly fine, thank you very much. Maybe the entire town of Hope Springs treated her like a kid, but was it really that bad if people looked out for her? Okay, so maybe she could do without walking in on her brother and his girlfriend doing it on every available surface in the house she shared with them, but apart from that inconvenience (and frankly disturbing image) her life was great. She certainly didn't need her brother's best friend riding in on a white horse to offer her a place to live where she wouldn't be constantly confronted with her brother's bare backside. She had her own plans...and she had a secret that would be impossible to keep if she moved into Daniel's place. Daniel Forster had only ever thought of Sutton as Tony's annoying little sister...okay, there was that one time at the B&S ball where he kissed her, but that was just to shut her up. She'd been arguing with him at that time and he couldn't think of another way to make her be quiet. That was his story and he was sticking to it. Asking her to move in with him had come as a shock not only to her, but to him as well. Yes, he needed a new housemate to cover his mortgage payments, but Sutton was the last person he wanted to give an up close and personal look at his life...especially not after the incident in the warehouse behind the hardware store. Despite both of their aversions to living together, neither of them had any other choice. But it was only temporary and they both agreed they could do temporary. Neither one of them was prepared for what being 'up close and personal' would do to their relationship. *This is a hot and steamy best-friend's little sister/enemies to lovers romance with a happy ever after and lots of flying sparks and lacy lingerie along the way. **This book is set in Australia and uses Australian/UK English "A lovely eastern schoolteacher faces the frontier with the firm resolve to never marry a rowdy adventurer of the West"--Provided by publisher.
