What are you waiting for? ****Testimonial****I just wanted to drop you guys a line and tell you that I passed my final CLEP exam last Monday which gives me all of the credits I need to graduate. I have taken 30 credits worth of CLEP exams and I've passed them all by using your study guides. I actually purchased one of your study guides and failed my first test. I didn't fail because of your guide though, I failed

because I didn't manage my time effectively and I ran short. I looked at your study guide after failing though, and a lot of the information on your study guide was very relevant to what was on the test. So, I tried again with a different test and a different study guide of yours. I passed. This pattern continues for 30 credits. I graduate on June 9th thanks to you guys, so I wanted to say thank you. The guides were worth every penny. Thanks, -John S.****I would like to thank you for your study guides. I will be graduating in December with two bachelor degrees and CLEP helped me get there quickly. I gained 36 credits through CLEP and your study guides helped me through almost all of them. I can honestly say that I would not have passed many of the tests without your guides. Great products. Thanks!! -Erin W.**** ASWB Masters Study Guide: Exam Prep & Practice Test Questions for the Association of Social Work Boards Masters Exam Developed for test takers trying to achieve a passing score on the ASWB Masters exam, this comprehensive study guide includes: - Quick Overview -Test-Taking Strategies -Introduction to the ASWB Masters Exam -Human Development, Diversity, and Behavior in the Environment -Assessment and Intervention Planning -Direct and Indirect Practice -Professional Relationships in Social Work -Practice Questions - Detailed Answer Explanations Each section of the test has a comprehensive review that goes into detail to cover all of the content likely to appear on the ASWB Masters exam. Miller Test Prep's study guide for the ATI TEAS 6 exam is the solution for students who want to maximize their score and minimize

study time. Our study guides are carefully designed to provide only that clear and concise information you need. That's precisely why we put "Clear & Concise" on our cover. The standard for the study guide industry is to "throw in the kitchen sink" when it comes to making a book, meaning you are stuck with hundreds of pages of repetitive information, redundant and confusing examples, and more practice questions than any person could be expected to work through. This results in students feeling overwhelmed, leading to reduced self-confidence, which leads to lower scores! Instead, Miller Test Prep has worked specifically with tutors. Why tutors you ask? Tutors specialize in helping students comprehend information that has already been presented by a teacher. That means they see time and again what students struggle with and what actually works to help them. They specialize in helping students who have previously failed, to succeed. We compiled their decades of experience helping students just like you into this study guide, so you pass the TEAS 6 first time. "TEAS test review for the Test of Essential Academic Skills." The only HESI A2 study guide based on the evidence-based method of Cognitive Recall, with a customizable study schedule. Designed specifically for the HESI A2 Admission Assessment, this study guide includes: A customizable plan to fit your unique study schedule 2 FULL practice tests with guided answer explanations 300+ total practice and example questions Concise coverage of all domains and topics, including review items WHAT IS COGNITIVE RECALL? Cognitive Recall is the science of implementing the optimal space of time between learning something, then reviewing it, and later quizzing yourself on it. Scientists say studying effectively is not a function of how long or how often you study - it's the order, schedule, and timing of your studies. Traditional study guides tend to be nothing more than extended versions of repeated cram sessions, which is neither efficient or effective. Cramming is the opposite of Cognitive Recall learning, evidenced by the extremely short-lived benefits. The memories from a cram session have been shown to fade away after only a few hours. That's not an option if

you are serious about passing the HESI. CUSTOMIZED STUDY SCHEDULE Designed around the ideal timeframe of 30-days, our system can be easily extended or reduced to fit your specific schedule and test date. This HESI A2 Guide has the functionality of a customizable calendar telling you not only what to focus on, but when to focus on it.
