I never expect he'd have me calling his name. Jessica New to town and overworked, all she wants is to put herself to sleep, but gets more than she bargains for when she answers a misdialed call. Curiosity takes hold and instead of hanging up, she joins in, enjoying herself way too much. Once satisfied and slightly embarrassed, she ends the call, finding comfort in knowing she'll never have to hear from him again. Kade After a long day in the office, he needs a release and is pleasantly surprised when he learns the call to his on again off again fling, is answered by another woman. Intrigued by her boldness and the sensuality her voice, he rings her line the next day to finish what they started. This is crazy, right? Of course it is, but against her better judgment, she begins to long for his obsessive nature. An easy choice to make considering they've never seen each other and never will. But just as their connections heat up, Jessica learns shocking news that makes this whole affair of dirty calls somewhat forbidden, yet still sexy as hell. **DIRTY CALLS** is a steamy BWWM accidental romance novella and is book one in the Dirty Love Duet. This story was previously published in the Obsessive Temptations Collection and now includes bonus content. It was love at first sight. Not just for

Vivian, but for Corbin as well. Their eyes locked across the room, and that was all she wrote. But they didn't rush things. They wanted to do it right. After all, they would spend the rest of their lives together. The love of each other's life. Soul mates. He was the intense and fiercely protective soldier, and she was his doting and faithful lover. They found their happily ever after. This was their story... until it wasn't. Ten years after Corbin divorced Vivian, after her confession while he was deployed, he still hasn't spoken to the girl who brought him to life only to stab him in the heart, sending him into an even darker state than where he was before he met her. Ten years, he's been watching her from afar, keeping tabs. After an honorable discharge from the Army, he's now part of a group of mercenaries who carry out justice. Criminals who hide behind their fancy lawyers and power-they take care of them and make it all look like karma. And with intel from their founder, Dr. Walker, a therapist with a long list of predators whose victims were too scared to turn them in, work is plenty and fulfilling. Until Vi begins her sessions and Corbin discovers the reality he's lived the past ten years was nothing but a lie, when the truth is revealed. Breslin-I was in love with Asher Holden the moment I saw him...and I knew nothing would ever be the same. Then he hurt me. He wrecked me. He ruined me. I spent three years putting myself together-fixing what he broke.I never thought I'd see him again after

that day. I was counting on it. Little did I know-life had other plans...and things were going to become a lot more complicated. Asher-I finally know who I am. I own it, I embrace it...I'm no longer afraid. I live my life with no regrets now, because I've learned my lesson-the hard way.I thought I had it all figured out. But then my past collides with my present...and things become complicated.Turns out I don't really know myself after all. Landon- My life was all mapped out. I knew exactly what direction I was heading in-I didn't have time for any roadblocks or obstacles.Then I meet her.And him. Now, my heart is split right down the middle. She controls the rhythm. He controls the melody. Complicated doesn't even begin to cover it...and there's only one way this can end. Warning: This story is for mature readers only, due to language and sexual themes. Transcend is a sexy, mind-bending journey that uncovers possibilities, challenges beliefs, and begets the age-old question: is there life after death? To save my family, I agreed to marry the butcher. But then, I met Santino Buratti, the man who takes what he wants without asking—ruthless, powerful, and beautiful. Nothing could have prepared me for the monster who bought me. Nor the dark prince who saved me. A Note from Diana: Big Bad Wolf is book one in the Wolf Duet and is part of the Crime Society World. After The One The insta-love. The perfect couple. The enchanted fairy tale. The concept of 'happily ever after' on reality TV is beautiful, but it's complete B.S. I mean, I get the appeal. The One is the most watched reality TV dating show because it sells the idea that two people "randomly" handpicked by producers will fall in love and ride off into the sunset. We are expected to believe that after having a group of women embarrass themselves for the affection of a man on national television, the bachelor and the chosen one fall in love and they live happily ever after. Let's be honest. Shows like The One are really about fantasy romance and must-see entertainment-not happily ever afters. That's why the creators and producers don't show what happens after the exotic getaways, lavish lifestyles, and over-the-top

proposals. Even though reality TV relationships never last, they want us to buy into the fairy tale. Truth is... when the cameras stop rolling, the number one killer of reality TV couples is real life. And life just got REAL. As with all Alfred's Basic Adult Piano Course materials, the Duet Books correlate exactly with Lesson Books 1 and 2. The duet parts are delightful accompaniments which serve to enhance the student's part. Adults will find the pieces fun to play, musically rewarding and very motivational.

This ghost is ready for whatever you got. After all, there's only one way I want this to end—til death do us part. Creole Kingpin is the first book in the Magnolia Duet. Magnolia's story concludes in Madam Temptress. As payment for her father's debt, he wants: Her At his mercy For three nights Notorious outlaw Maddoc follows no rules. This story features romance and situations of a dark nature. * Book 1 of 2 in the Savage Hope Duet * He thinks I'm a corporate spy. Me--plump, boring Mia James. Yes, I omitted an advanced degree on my resume, but being overqualified

to be able to pay rent wasn't how I was going to start my newly single (okay, newly dumped) life. Do I regret doing it? Seeing as how I got a junior secretary position in my field, for the private military company run by billionaire badass CEO Collin Stark no less, I'm going to go with 'no.' No regrets here. Which is what I basically tell Mr. Stark when he starts questioning my motives. Did I mention he's an ex-Army interrogator? Or that he's too intense to put into words? While it's obvious he doesn't trust me, that's probably a good thing. Because something tells me if that hot, hardened man were to ever fully trust a woman, his intensity level over her would be...off the charts. * * * * * She thinks I haven't noticed her all this time. Hell, I'd have to be missing both a brain and functioning balls to overlook the quietly enigmatic woman who's clearly too smart and skilled to be working in any entry-level capacity for me. I don't want to believe Mia's capable of corporate espionage. But given the evidence, it's hard to think otherwise. Not that I seem to be capable of a whole lot of rational thought when I'm around her. She's my own curves-for-days kryptonite--which just makes her that much more dangerous. Is it possible my enemies planted a woman in my company to seduce me (in the most awkwardly tempting way possible)? In the past, I would've said no way in hell. But after getting a taste of just how hot Mia can burn, I'm starting to see it's definitely possible...and

damn worth it, either way. * * * * * NOTE: While this is the Collin Stark (CEO of Stark International) mentioned throughout the Savage Trust series, the events of his story actually take place prior to Wrecked, Scarred, and Frayed. Be advised that Collin and Mia's story is a two-part 80K word duet. This is Book 1. Book 2 takes place six months after the end of this book, and as such, the books need to be read in order.
