Songs of Love and War May 29 2020 The authors of oral literature in the Pashtun language create their work at a far remove from any books. Generally deprived of the support of schools and universities, their compositions are inseparable from song. Their poetry is never declaimed; rather, their rhyme and rhythm have melodic value. These popular improvisations do not exalt mystic love. In them there is no aspiration whatsoever to an unfathomable and incommunicable heaven, nor devotion to the lord, nor praise for an absolute master, nor any Adonis. To the contrary, they are songs of the earth. They celebrate nature, mountains, rivers, dawn and night's magnetic space. They are songs of war and honor, shame and love, beauty and death. The repression of Afghan women has caused untold suffering, particularly through moral subjugation. Infant daughters and their mothers are received with scorn and shame, and lead lives of subordination and humiliation. Their rebellion against these tribal codes comes only through suicide and song. Translated from the Pashtun into French by the eminent Sayd Bahodine Majrouh, the greatest Afghan poet of the twentieth century, his text has been rendered into English in the expert hands of Marjolijn de Jager of the Translation Department at NYU.

Love and War May 21 2022 Ideas of masculinity and femininity become sharply defined in war-reliant societies, resulting in a presumed enmity between men and women. This so-called battle of the sexes intensifies in tandem with dispositions to fight actual wars. These are among the fascinating discoveries Tom Digby shares in *Love and War*, which describes the making and manipulation of gender in both militaristic and nonmilitaristic societies and the consequences for men and women in their personal, romantic, sexual, and professional lives. Drawing on cross-cultural comparisons and examples from popular media, including sports culture, the rise of ÓgonzoÓ and ÓbangbusÓ pornography, and ÓInternet trolls,Ó Digby shows how misogyny and toughness are deployed to construct masculinity in ways that undermine relations between women and men. Through diverse philosophical methodologies, he identifies the cultural elements that contribute to heterosexual antagonism, such as an enduring faith in male force to solve problems, the glorification of violent men who suppress caring emotions, the devaluation of men’s physical and emotional lives, an imaginary gender binary, male privilege premised on the subordination of women, and the use of misogyny to encourage masculine behavior. Digby tracks the Ócollateral damageÓ of this disabling misogyny in the lives of both men and women, but ends on a hopeful note. He ultimately finds the link between war and gender to be dissolving in many societies: war is becoming degendered, and gender is becoming demilitarized.

for women, *LOVE & WAR* will do for married couples everywhere. John and Stasi Eldredge have contributed quintessential works on Christian spirituality for men and women separately but now they turn their focus to the incredible union between those two forces - marriage. With refreshing openness, the Eldredges discuss their own marriage and the insights they've gained from the challenges they've faced. Both speak independently to the reader about what they've learnt, giving their guidance personal immediacy and balanced male and female perspectives. John and Stasi begin *LOVE & WAR* with an obvious but necessary acknowledgement: marriage is fabulously hard. For every minute of happy delirium, there are equal amounts of disappointment and frustration and a sense that we've been deluded, that this isn't the marriage we dreamed of. Once we admit this, we are free to accept the great adventure of marriage; working together through strength gained from our own individual relationships with God, rather than looking to each other for happiness.

In Love and War Mar 19 2022 In *Love and War* weaves fact and fiction to create a sweeping portrait of a city at war. The novel is told through the eyes, letters and journals of Esmond Lowndes, who comes to Italy a lost and lonely young man in the shadow of his politician father. Through his friendships with a striking cast of contemporary characters, from the poet Ezra Pound to Alice Keppel, a former royal mistress, Esmond begins to leave his early disappointments behind him. On the cobbles of Florence's many-storied streets, he deepens his appreciation of art and literature, and falls in love. With the coming of war, Esmond finds himself stranded in a city of enemies, hunted by the malevolent Mario Carità, head of the Fascist secret police. He retreats into the hills above Florence, taking with him a painting that has come to assert a profound hold over him. When the Nazis arrive, Esmond is drawn into *Giustizia e Libertà*, the Resistance movement, and is soon helping to spirit refugees to safety, to hide the city's Jews. With his lover, Ada, at his side, he is at the centre of assassination plots, shoot-outs and car chases, culminating in a final mission of extraordinary daring. *In Love and War* is a novel that will take you deep into the secret heart of history, meticulously researched and full of period detail. It is a novel of art and letters, of bawdy raconteurs and dashing spies. With Esmond Lowndes you will see the beauty of Florence as never before, and feel the horror of war as it sweeps over the city's terracotta rooftops. Inspired by a host of real-life stories, *In Love and War* is both epic and intimate, harrowing and heartwarming.

Love and War Jan 17 2022 They say your childhood paves the way to adulthood, and maybe it does. I know mine was lit up in flames. I walked the roads of Hell until I figured out that the only way to survive was to exist under a cloak of darkness--to deal with the devil himself. It was the only way to escape the pain, the torment. But the nightmares are still very real. They'll never leave me alone. The shadows of solitude follow me wherever I go. Weapons--they can be anything I need them to be. Unlike people in my life, they are predictable,

dependable. Without any effort they can cause so much destruction, but also so much peace. Through the internal chaos, the anger that won't cease, and the constant noise, everything is silenced with the pull of the trigger. Ink--I've loved it since I can remember. It defines me. It's my release. When I feel like I'm about to blow I turn to the needle. It is the one high I need. I brand people. It's what I do. Kross Brannon is the best there is when it comes to tattoos. The success of my company proves it. But I never teach. Those that work for me learn from someone else. I'm a solo artist. Always have been and always will be...but then I looked up and saw her, standing in my shop, beautiful, tattooed, and her soul screaming for me to reach out. She was a force of nature I couldn't turn away. That's the moment everything started falling into place...

But right now, all he can think about is Aphrodite. He almost killed her, for Gods' sake! And though the timing couldn't be any worse, he's falling hard and fast. He'll do anything to protect her . . . even if it means sacrificing himself. Still, they find allies in the most unexpected places . . . More goddess than demigoddess, Medea is married to the rebel leader, Jason. But there's something odd going on. Jason is acting very strange, and Medea finds herself drawn to a new demigoddess who mysteriously arrived on the island half-dead. She senses there's more to this visitor than meets the eye. Little does she guess . . . War is coming, there's no doubt. But, in her weakened state, does Aphrodite have any hope of surviving it? Kaitlin Bevis spent her childhood curled up with a book and a pen. If the ending didn't agree with her, she rewrote it. Because she's always wanted to be a writer, she spent high school and college learning everything she could to achieve that goal. Music for Love or War Oct 22 2019 "Music for Love or War is slash-and-burn funny, but also unexpectedly touching and wise. Few writers can take you in one breath from the hills of Afghanistan to the gates of the Playboy Mansion and make you believe every crazy word. Martyn Burke has that special talent." --Carl Hiaasen, author of the New York Times bestselling novel *Bad Monkey* According to what we've been told, the source of all knowledge is somewhere just south of Sunset Boulevard. The problem is that Danny has lost the address. So begins Martyn Burke's tragi-comic novel of love and war. Danny, a Canadian sharpshooter, and Hank, in the U.S. Army, have been stationed in Kandahar, but they are in Los Angeles, desperate to find the Hollywood psychic who will reveal the whereabouts of the women they love. Danny is searching for Ariana, the girl he fell in love with in Toronto in the last years of the twentieth century; Hank is searching for Annie Boudreau, known in the tabloids as "Annie of the Boo Two"--twins who were briefly in the gravitational pull of Hugh Hefner. From Grenadier Pond in west-end Toronto, to Afghanistan, to the Malibu colony in LA, the novel follows these moments in the lives of Danny and Hank, revealed by a masterful storyteller and commentator on American culture. When in the mountains of Kandahar, Danny and Hank torture the members of al Qaeda and the Taliban with the music and a larger-than-life-size cardboard reproduction of Liberace in satin short shorts, high-kicking as if on Broadway.

Love, Poverty, and War Mar 27 2020 "I did not, I wish to state, become a journalist because there was no other 'profession' that would have me. I became a journalist because I did not want to rely on newspapers for information." *Love, Poverty and War: Journeys and Essays*

showcases America's leading polemicist's rejection of consensus and cliché, whether he's reporting from abroad in Indonesia, Kurdistan, Iraq, North Korea, or Cuba, or when his pen is targeted mercilessly at the likes of William Clinton, Mother Theresa ("a fanatic, a fundamentalist and a fraud"), the Dalai Lama, Noam Chomsky, Mel Gibson and Michael Bloomberg. Hitchens began the nineties as a "darling of the left" but has become more of an "unaffiliated radical" whose targets include those on the "left," who he accuses of "fudging" the issue of military intervention in the Balkans, Afghanistan and Iraq. Yet, as Hitchens shows in his reportage, cultural and literary criticism, and opinion essays from the last decade, he has not jumped ship and joined the right but is faithful to the internationalist, contrarian and democratic ideals that have always informed his work.

In a quarter-century of uninterrupted war, the people of Afghanistan have endured foreign invasions, ethnic strife, a fundamentalist Islamic totalitarian regime, and the unending crossfire of rival warlord factions. The country remains an object of fascination for journalists, academics, and filmmakers from around the world. In the midst of it all it is a startlingly powerful experience to discover, here, the voices of the Afghan people themselves. Young lovers who elope against the wishes of their kin; a mullah whose wit is his only defense against his armed captors; a defector from the Soviet army; a woman who is forced to stand up to gangsters in Tajikistan—their dramatic stories emerge in their own unforgettable words. Whether in the sudden awakening of mercy in a Taliban militiaman, the lingering contempt of a woman for her husband's first wife, the pain and confusion of flight into exile, or the resourcefulness of a child who must provide for an entire family, the real focus of these narratives is the strength of solitary individuals faced daily with their own vulnerability. Men, women, orphans, widows, widowers, Tajiks, Pashtuns, Uzbeks, Turkmens, schoolteachers, mullahs, former Taliban, mujahideen, big brothers, little sisters, captive wives, lovers in flight: *Love and War in Afghanistan* tells their stories, putting human faces onto a country torn by war.
