The Gospel of Lazarus (the Disciple Whom Jesus Loved) Sep 01 2020 The story of Jesus and the Beloved Disciple is a beautiful and intriguing love story, well worth being treated as serious literature and appearing between covers of its own. For this version of the story, editor Tobias Skinner has chosen to believe, for reasons set forth in the preface, that it was Lazarus who first wrote this version of the gospel. Who would be more inclined to write of Jesus as God in the flesh, as the incarnation of Logos, as infallible, as a worker of miracles—something the author of this gospel does far more often than the authors of the other three—than a man who believes Jesus saved him from death and who is so comfortable in his love relationship with Jesus that he can confidently and repeatedly refer to himself as “the disciple whom Jesus loved,” and at the end as “the disciple whom Jesus sincerely loved”? Skinner here presents a readable alternative text for this ancient story of love.

The Gospel of the Beloved Disciple Dec 16 2021 There is a general consensus that the Fourth Gospel underwent two editions. But in contrast to all previous efforts to reconstruct these two editions on the basis of source and redaction criticism, Waetjen maintains that these two editions essentially overlap without far-reaching changes. Chapter 1-20 originated within the Jewish community of Alexandria and were addressed to Jews in order to persuade them to "believe into" Jesus as the Messiah, the Son of God. The second edition originated when chapter 21 was added and certain revisions were made in chapters 1-20 by an editor in the Christian community of Ephesus in order to present the Gospel to Gentile Christians and perhaps attendantly to legitimate it for canonization. Waetjen examines John's gospel by engaging in a close reading of various units of the Gospel from the perspective of a two-level drama that presents two narrative worlds within the literary structure of the Gospel. Out of his readings of the texts, one of the major and provocative conclusions Waetjen draws is that Lazarus is the Beloved Disciple of Jesus in chapters 1-20. John, the son of Zebedee, is intimated to play the role of the Beloved Disciple not only in chapter 21, but throughout the Gospel. In other words, the editor of chapter 21 has concluded that John (based on the title that the gospel already bears), is the Beloved Disciple and project that backwards from chapter 21 throughout the previous 20 chapters. Waetjen's thorough scholarship and his attention to detail in his original readings challenge traditional readings of John's Gospel, providing fresh insights into the Gospel.

Cold-Case Christianity Jul 11 2021 Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

When Godly People Do Ungodly Things Aug 12 2021 It is reported in the headlines, confessed in the pulpits, and hidden in the pews in churches around the world. The seduction of God's people by the deceiver is a tale as old as

the garden, but we are always surprised when it happens. We must realize that Satan is a lion on the prowl and we are his prey. Beth writes with a passion fueled by the Biblical warnings of the schemes of Satan's seductive activity and the broken-hearted concern of a teacher who receives countless letters from repentant Christians limping on the road to finding restoration. Delivering dire warnings to Christians to safeguard themselves against Satan's attacks, Beth also reveals how you can know if someone is vulnerable. Beth writes, "We, Christ's church, are in desperate need of developing His heart and mind in issues like these." She fears that often God is far more merciful than the Body of Christ is with the deeply repentant and those desperate to find their way home. When Godly People Do Ungodly Things will be a guide to authentic repentance and restoration.

The Gospel According to John Jun 29 2020 This commentary seeks above all to explain the text of John's Gospel to those whose privilege and responsibility it is to minister the Word of God to others, to preach and to lead Bible studies. I have tried to include the kind of information they need to know, but to do so in such a way that the informed layperson could also use the work in personal study of the Bible, exclusively for purposes of personal growth in edification and understanding. In particular, I have attempted: (1) To make clear the flow of the text. (2) To engage a small but representative part of the massive secondary literature on John. (3) To draw a few lines towards establishing how the Fourth Gospel contributes to biblical and systematic theology. (4) To offer a consistent exposition of John's Gospel as an evangelistic Gospel. - Preface.

The Beloved Disciple Feb 24 2020 "The Gospel of John refers five times to "the disciple whom Jesus loved." From the second through the present century, scholars have sought to identify this "disciple," traditionally concluding that he is the author of the Gospel and is indeed none other than John the son of Zebedee." "In recent phases of research, however, the identification of the Beloved Disciple with John the son of Zebedee has been exposed as weak and unpersuasive. Yet, according to James Charlesworth, even this new research is problematic in that it tends to ascribe priority in discerning the meaning of the Gospel of John to documents other than the Gospel itself. Moreover, this research tends to impute historical accuracy to documents that were not primarily intended to present histories." "Based on extensive research, then, Professor Charlesworth has concluded that the primary texts in the Gospel of John and the reflections of modern scholars indicate that any identification of the Beloved Disciple - whether with one of the disciples specified in the Gospel, with one who is anonymous in this Gospel, or with some symbolic theme - must provide credible answers to eight questions."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. Behold the Lamb of God Mar 07 2021 This book is mainly rooted in Chapters 1 to 4 of the Gospel according to John. It isn't a commentary of the book of John but it's the Good News of the Lamb of God who takes away the sin of the world and its effects. Although the roots of the book mainly emanate from the book of John there are also many other reference verses I used from other books of the Bible to highlight this Good News which is the power of God to save. The first four Chapters of the book of John form the main frame of reference of this book because initially I wanted to write one book based on the book of John after I was persuaded that God was directing me to do so. After writing with reference to the first four Chapters of John I realised that the manuscript was becoming larger than I intended it to be. So, I decided to have this particular title in a series of books in this book size. As a result, this is book one of the series of books called THE LAMB OF GOD: WHO TAKES AWAY THE SIN OF THE WORLD. Since the main frame of reference of this book is in the book of John let me give you interesting information about the author of the book of John. The author of the book of John is the disciple whom Jesus loved (Jn 19:26; 21:7). He is that unnamed disciple of John the Baptist who later followed Jesus. He is the writer of the letters of John and the book of Revelation. In all his books he did not refer to himself by name. Before John was called by Jesus he was a businessman; precisely, he was involved in the business of catching and retailing fish. He used to alternate on business between the rural north in Galilee and the urban south in Jerusalem. He owned a home in Jerusalem. Shortly before the destruction of Jerusalem by the Romans in 70 AD, he relocated to Ephesus. There he pastored a Church. He was also a cousin of Jesus and the brother of James, one of the disciples. John, James and Peter were the 'inner-circle' of the disciples. They were closest to Jesus; they had a special relationship with the Lord. Here and there the Bible refers to the three to the exclusion of other disciples. For instance, they were with him on the mount of transfiguration (Mt17:1-13; Lk 9:27-36). They were also with Him for the healing of Jairo's daughter (Mk 5:37). The fact that John referred to himself in his writings as the disciple whom Jesus loved shows that he was the closest disciple to Jesus. He was His closest friend. It also indicates that John had a deeper insight of the love of God-expressed through Jesus. Apostle John, the youngest of the twelve Apostles, was called by the Lord when he was about 25. He also outlived all the Apostles of the Lamb; he was the last one to die. He died when he was 93. Unlike others John died of natural causes; he is the only one who wasn't martyred. John wrote his Gospel between AD 80 and 100, near the end of the first century-some 20 to 30 years after the other three Gospels. He wrote when all the New Testament was complete except for his writings. He was really an old man. The Gospel of Christ had been preached. Even Paul and Peter had been martyred. All the Apostles of the Lamb had died. Jerusalem had also been destroyed by the Romans (AD 70). Apostle John was so old that many people believed that he would live until Jesus's return. It is encouraging to see that even though he was of such an old age God still had a mission

for him. This shows that age is nothing but a number.

The Cross of Christ Apr 08 2021 In this thoughtful, comprehensive study of Scripture, tradition and the modern world, John R. W. Stott brings readers face to face with the centrality of the cross in God's plan of redemption. *A Better Bible Study Method, Book One - The Disciple Whom Jesus Loved* Nov 15 2021 The Authority of God's Word All scripture is given by inspiration of God (2Ti. 3:16a). Therefore, the record of scripture is true, and ideas that are contrary to the facts in scripture must be false. Nevertheless, the Bible lets us know that the traditions of men can deceive people into believing ideas that are not in the word of God. In the Bible the disciple whom Jesus loved is identified as the writer of the fourth gospel, he had access to the palace of the high priest, he was the first one who believed after Jesus' resurrection, and some thought he would not die. Scripture never identified this unnamed disciple as John, but tradition has convinced people that he was John in spite of the biblical evidence to the contrary. The truth in this case of The Bible vs. Tradition is found in scripture, so it will be the only source quoted herein. Integrity demands a hearing for the biblical evidence. But submitting to the authority of God's word on this issue reveals more than just the truth about this disciple. For, what this insight teaches us about relying on scripture is the key to a better bible study method.

1, 2, and 3 John Oct 14 2021 Designed for the pastor and Bible teacher, the Zondervan Exegetical Commentary on the New Testament brings together commentary features rarely gathered in one volume. Written by notable evangelical scholars, each volume treats the literary context and structure of the passage in the original Greek, and each author provides an original translation based on the literary structure. The series consistently provides the main point, an exegetical outline, verse-by-verse commentary, and theology in application in each section of every commentary. Critical scholarship informs each step but does not dominate the commentary, allowing readers to concentrate on the biblical author's message as it unfolds. While primarily designed for those with a basic knowledge of biblical Greek, all who strive to understand and teach the New Testament will find these books beneficial. The Zondervan Exegetical Commentary on the New Testament series covers the entire New Testament in twenty volumes; Clinton E. Arnold serves as general editor. 1-3 John In her commentary on John's letters, Karen H. Jobes writes to bridge the distance between academic biblical studies and pastors, students, and laypeople who are looking for an in-depth treatment of the issues raised by these New Testament books. She approaches the three letters of John as part of the corpus that includes John's gospel, while rejecting an elaborate redactional history of that gospel that implicates the letters. Jobes treats three major themes of the letters under the larger rubric of who has the authority to interpret the true significance of Jesus, an issue that is pressing in our religiously pluralistic society today with its many voices claiming truth about God.

Twelve Ordinary Men Jun 22 2022 You don't have to be perfect to do God's work. Look no further than the twelve disciples, whose many weaknesses are forever preserved throughout the pages of the New Testament. Join bestselling author John MacArthur in *Twelve Ordinary Men* as he draws principles from Christ's careful, hands-on training of the original disciples for today's modern disciple, you! Jesus chose ordinary men--fishermen, tax collectors, political zealots--and turned their weakness into strength, producing greatness from people who were otherwise unremarkable. The twelve disciples weren't the stained-glass saints we imagine. On the contrary, they were truly human, all too prone to mistakes, misstatements, wrong attitudes, lapses of faith, and bitter failure. Simply put, they were flawed people, just like us. But under Jesus' teaching and touch, they became a force that forever changed the world. MacArthur takes you into the inner circle of the disciples--their selection, their training, their personalities, and their incredible impact. As MacArthur took a closer look at the lives of the twelve disciples, he found himself asking difficult questions along the way, including: Why did Jesus pick each of the twelve disciples? How did Jesus teach them everything he could in just eighteen short months? Can the lessons that Jesus taught the disciples can still influence our faith today? In *Twelve Ordinary Men*, you'll learn that disciples are living proof that God's strength is made perfect in weakness. As you get to know the men who walked with Jesus, you'll see that if he can accomplish his purposes through them, he can do the same through you.

Foxe's Book Of Martyrs Nov 22 2019 Acts and Monuments by John Foxe, popularly abridged as *Foxe's Book of Martyrs*, is a celebrated work of church history and martyrology, first published in English in 1563 by John Day. Published early in the reign of Queen Elizabeth I and only five years after the death of the Roman Catholic Queen Mary I, Foxe's Acts and Monuments was an affirmation of the Protestant Reformation in England during a period of religious conflict between Catholics and Protestants. Foxe's account of church history asserted a historical justification that was intended to establish the Church of England as a continuation of the true Christian church

rather than as a modern innovation, and it contributed significantly to a nationalistic repudiation of the Roman Catholic Church. The sequence of the work, initially in five books, covered first early Christian martyrs, a brief history of the medieval church, including the Inquisitions, and a history of the Wycliffite or Lollard movement. It then dealt with the reigns of Henry VIII and Edward VI, during which the dispute with Rome had led to the separation of the English Church from papal authority and the issuance of the Book of Common Prayer. The final book treated the reign of Queen Mary and the Marian Persecutions. (courtesy of wikipedia.com)

Against Heresies Revised Feb 06 2021 When the Christian church was first forming in the time of the apostles, a heresy that still threatens the church today called Gnosticism started to form. This heresy was battled by the writings of Irenaeus to correct theological thinking about God, Jesus and the Bible at large. This early church father was instrumental in fighting false teaching in the early centuries when there were a lot of questions about the legitimacy of Christianity in the face of the persecutions of the Roman Empire. Now in larger print!

Becoming the Beloved Disciple Jul 31 2020 The Gospel of John the Beloved isn't like the other Gospels. John includes stories, details, and symbols not found anywhere else in the Bible, showcasing models of discipleship from unlikely sources: the outcast, the unclean, the unfaithful, and more. While there are many ways to be a disciple of Jesus Christ, in the end, all disciples are united by love for our Savior and willingness to follow Him.

The Making of a Disciple Jan 25 2020 Modern readers sometimes view the Gospels and other biblical narratives as mere historical accounts of events that occurred long ago. Biblical narratives, however, are intended to do far more than teach us history. They are intended to change how we think and how we live. In *The Making of a Disciple*, Watson and Culy use insights from narrative criticism to show that the message of the Gospel of John is communicated not only through the teachings and deeds of Jesus, but also through the actions of the other main characters and the consequences of their actions. As readers observe characters interacting with Jesus, they are implicitly encouraged to either emulate or avoid their behavior. Coupled with the teachings and acts of Jesus, these characters serve as potent tools in the Gospel of John to showcase what it looks like not only to become a disciple of Jesus but also to grow to maturity and experience the fullness of joy that Jesus offers.

Into His Likeness Oct 22 2019 In the ancient disciple-rabbi relationship, the disciple would follow the rabbi so closely that he would be covered in the dust kicked up from his rabbi's feet. Thousands of years later, though we walk on roads of pavement and not dust, we are still called to be disciples—to follow our Rabbi, Jesus Christ, so closely that we are covered with his life, changed, and made new. *Into His Likeness* provides an approachable but in-depth exploration of how to live as a disciple and experience the transformation Jesus wants to work in our lives. We might desire to live more like Christ, but we know we fall short. This book simply helps us follow those initial promptings of the Holy Spirit, so that we may more intentionally encounter Jesus anew each day and be more

disposed to his grace changing us ever more into his likeness.
