"When Ranulph Fiennes produces a book about Ernest Shackleton, it should get our attention. I found that the best way to read this book is to imagine that you are in a pub sharing a beer with Sir Ranulph while he regales you with his tale about Ernest Shackleton. Fiennes moves the narrative along at a good pace and his storytelling becomes particularly animated when he is describing the actual grind of slogging through the snow and ice."—Lloyd Spencer Davis, The New York Times Book Review (front page review) An enthralling new biography of Ernest Shackleton by the world's greatest living explorer, Sir Ranulph Fiennes. To write about Hell, it helps if you have been there. In 1915, Sir Ernest Shackleton's attempt to traverse the Antarctic was cut short when his ship, Endurance, became trapped in ice. The disaster left Shackleton and his men alone at the frozen South Pole, fighting for their lives. Their survival and escape is the most famous adventure in history. Shackleton is a captivating new account of the adventurer, his life and his incredible leadership under the most extreme of circumstances. Written by polar adventurer Sir Ranulph Fiennes who followed in Shackleton from the myth he has become. How can the church be a healing force in the world? In this longtime bestseller, now revised and updated, authors Jerry Cook and Stanley C. Baldwin suggest that it is only when believers admit their own brokenness that they can love, accept, and forgive those who are hurting around them and put out the welcome mat to their community. They offer clear teaching about the church in a hurting world. As veteran leaders who practice these principles, they speak from experience, not theory. Through touching true stories and practical guidelines for connecting with fallen, sinful people, Cook and Baldwin announce the good news. The church is not broken, and it is the broken people who can change the world.
