Vol. for 1958 includes also the Minutes of the final General Assembly of the United Presbyterian Church of North America and the minutes of the final General Assembly of the Presbyterian Church in the U.S.A. 1857/58 includes Triennial register of Alumni. Me and Burnice is a collection of true stories that applauds growing up and everyday events in the 1940s. Abounding in humor, it uses laugh-aloud narrative to touch on the gentleness and richness of mankind. Told in a way the reader can be there and say, "That happened to me just like that" or "I identified with it all the way it was so easy to read." It chronicles the adventures of two boys, how they grow and entertain themselves, and expand the limits of their imaginations. Although it was a simpler life they always went for the gusto. This is a full-scale study of prices in medieval Scotland, c. 1260-1542, which includes detailed discussions of coinage, and weights and measures. Nearly 6000 prices are listed individually, average prices are calculated for each commodity, and for groups of commodities such as cereals and livestock. Scots prices are compared with English, and the significance of the data for the economic history of medieval Scotland is analyzed fully. This is the only full study to have been undertaken on Scots medieval prices, and there is no comparable work on Scottish medieval economic history in print. An invaluable compendium for anyone interested in cinema Includes Part 1, Number 1: Books and Pamphlets, Including Serials and Contributions to Periodicals (January -

June) Enjoy unforgettable characters and irreverent laughs in the Regency series that launched the career of New York Times bestselling author Katie MacAlister You think you've got troubles? As a spy for the Crown, Lord Harry Rosse faced clever and dangerous adversaries-but it's his five offspring who seem likely to send him to Bedlam. At his wits' end, he's advertised for a wife and found one, but perhaps he should have been a bit more forthcoming on certain points... Wait till you meet Harry and Plum... Frederica Pelham, affectionately known as Plum, spent years avoiding the scandals of her past, and is desperate for quiet security and a chance to make a family. What she finds is a titled husband and five little devils who seem bent on their own destruction, not to mention hers. And while all kinds of secrets are catching up with them, Plum knows the real trouble with Harry... is that he's stolen her heart. "Memorable characters, witty dialogue and suspense...in MacAlister's unique style." - RT Book Reviews When the gun smoke cleared, four men were found dead at the hardware store in a rural East Texas town. But this December 1934 shootout was no anomaly. San Augustine County had seen at least three others in the previous three years, and these murders in broad daylight were only the latest development in the decade-long rule of the criminal McClanahan-Burleson gang. Armed with handguns, Jim Crow regulations, and corrupt special Ranger commissions from infamous governors "Ma" and "Pa" Ferguson, the gang racketeered and bootlegged its way into power in San Augustine County, where it took up robbing and extorting local black sharecroppers as its main activity. After the hardware store shootings, white community leaders, formerly silenced by fear of the gang's retribution, finally sought state intervention. In 1935, fresh-faced, newly elected governor James V. Allred made good on his promise to reform state law enforcement agencies by sending a team of qualified Texas Rangers to San Augustine County to investigate reports of organized crime. In East Texas Troubles, historian Jody Edward Ginn tells of their year-and-a-half-long cleanup of the county, the inaugural effort in Governor Allred's transformation of the Texas Rangers into a professional law enforcement agency. Besides foreshadowing the wholesale reform of state law enforcement, the Allred Rangers' investigative work in San Augustine marked a rare close collaboration between white law enforcement officers and black residents. Drawing on firsthand accounts and the sworn testimony of black and white residents in the resulting trials, Ginn examines the consequences of such cooperation in a region historically entrenched in racial segregation. In this story of a rural Texas community's resurrection, Ginn reveals a multifaceted history of the reform of the Texas Rangers and of an unexpected alliance between the legendary frontier lawmen and black residents of the Jim Crow South. The illustrious history of the Third Marine Division is retold in this exceptional volume. The story begins at Camp Pendleton and follows the 3rd through New Zealand, Bougainville, Guadalcanal, Guam, Iwo Jima, Okinawa, Vietnam, and the Persian Gulf. Third marine personal stories complement the history of the division with humor, tragedy, and bravery. Medal of Honor recipients listed. Indexed.
