*Historical Dictionary of the Gypsies (Romanies)* Apr 08 2021  
Originating in India, the Gypsies arrived in Europe around the 14th century, spreading not only across the entirety of the continent but also immigrating to the Americas. The first Gypsy migration included farmworkers, blacksmiths, and mercenary soldiers, as well as musicians, fortune-tellers, and entertainers. At first, they were generally welcome as an interesting diversion to

the dull routine of that period. Soon, however, they attracted the antagonism of the governing powers, as they have continually done throughout the following centuries. The second edition of the Historical Dictionary of the Gypsies (Romanies) seeks to end such prejudice by clarifying the facts about this nomadic people. Through a list of acronyms, a chronology, an introductory essay, a bibliography, and hundreds of cross-referenced dictionary entries on significant persons, places, events, institutions, and aspects of culture, society, economy, and politics, the history of the Gypsies and their culture is told.

**The Trouble With Quarterbacks** Aug 20 2019 CANDACE: KAT

& YASMINE! DO NOT DALLY! Come straight home after work.

Kat, don't take the long route from the subway station just so you can pass by Cute Hot Dog Guy. This is important! I've had THE BEST DAY. You won't believe it. There I was in my preschool classroom, washing a bit of poo out of some soggy trousers, when this absolute babe came to collect his nephew from my class.

Truthfully, I thought I'd blacked out for a moment when I first saw him. He was a proper hunk with glorious brown hair, quite tall, and he had these arms. Are muscly arms supposed to turn me on? I'm panting just thinking about them. Anyway, he told me he's a professional foosball player. At least, I think that's what he said.

The tots can get quite loud near pick-up time. YASMINE:

Foosball? What are you on about? Have you gone mad? KAT: Oh sod off. So what if I like to have a good look at Hot Dog Guy's arse on my trek home after a hard day's work? It's called self-care.

CANDACE: Kat, you're hopeless. Yasmine, yes-foosball! I

suppose it's a big thing over here in the States? We must

investigate and learn everything we can. By the way, he's called

Logan. Logan + Candace. I think that sounds quite nice! I can

hear the wedding bells now. Dum dum da-dum. YASMINE Oh good

grief. I suppose we can do some snooping when I get home. I'll

grab wine on my way. KAT I'll grab hot dogs. THE TROUBLE WITH

QUARTERBACKS is a hilarious romance about unlikely love found

between a British preschool teacher and the professional quarterback who sweeps her off her feet.

**The Bride and the Beast** Dec 04 2020 Teresa Medeiros makes her hardcover debut in this magnificently sensual and romantic tale filled with passion, humor, and suspense. It is the unforgettable story of two indomitable characters whose love affair is the stuff of which legends are made. . . . Gwendolyn Wilder did not believe in dragons. But the superstitious villagers of Ballybliss did, and so Gwendolyn found herself bound to a post as a sacrificial offering to the Dragon who haunted the ruins of Castle Weyrcraig. Fifteen years earlier, someone had betrayed the Laird of Weyrcraig and his handsome young heir to the English for a thousand pounds in gold. Now the Dragon was demanding that very amount. The frightened Highlanders hoped that instead of gold, the fair virgin would satisfy the beast's insatiable appetite. As for Gwendolyn, she never doubted that the so-called Dragon was a fraud. She knew there was a perfectly good explanation for the mysterious lights seen flickering in the crumbling castle and the unsettling sound of bagpipes drifting through the glens. But as she waited for whoever—or whatever—to claim his prize, she could not help trembling as a furious storm lashed about her . . . and she saw what appeared to be dark wings and a stream of silver smoke emerge from the shadows. Rumor had it that the Dragon could take the form of a man, and so he did with Gwendolyn—a man who would not show her his face. He carried her into his lair and made her his prisoner, his pampered pet. And while she didn't expect to be eaten by the fire-breathing Dragon of Weyrcraig, neither did she

expect to be warmed by his sensuous caresses or devoured by his passionate kisses. The Dragon had demanded gold and the fools had given him this golden-haired maiden. She was the very last thing he expected—and now there was no way he could let her go. She could never know that he was no monster but a flesh-and-blood man who had just laid eyes on the one woman who could slay him. Still, this supremely handsome man of devastating virility was more dangerous than any dragon. He would take it upon himself to enchant the practical Gwendolyn as she had enchanted him. He would weave a spell of sensuous magic around her that would defy all her commonsense notions and tempt her to believe in something even more unlikely than dragons and more powerful than the past that threatened them both—true love.

So it most certainly was for the best when their plans to elope went hopelessly awry. Even after a seven-year separation, Victoria—now a governess—still leaves Robert breathless. But how could he ever again trust the raven-haired deceiver who had shattered his soul? And Victoria could never give her heart a second time to the cad who so callously trampled on it the first. But a passion fated will not be denied, and vows of love yearn to be kept. . . even when one promises the moon.

**Island Flame** Nov 15 2021 Dear Reader, It is difficult for an author to choose a favorite from among her own books, especially when she has been lucky enough—as I have—to make a career out of doing what she loves. But some stories are memorable because they mark an important milestone in an author’s life, and for me, perhaps none is more special than Island Flame—my very

first book. I was thrilled when it was published, and now, more than thirty years later, I am just as excited to share it again with you. *Island Flame* is a classic tale of romance on the high seas, featuring two extraordinary characters: the headstrong Lady Catherine Aldley and the legendary pirate Jonathan Hale. I don't have to tell you that their tumultuous escapade sizzles with passion (lots of passion!), but what I hope you will take away most from Cathy and Jonathan is that dreams do come true—in love and in life. Mine did, and I hope yours will too. I look forward to sharing many more adventures together in the future. Enjoy!

Knigh of Darkness Sep 13 2021 For countless centuries, I've been the assassin for the infamous Merlin, even though the woman who birthed me sits at the right hand of our enemy, Morgen le Fey. Now both my mother and Morgen have decided that it's time I take my place on their side of this conflict. Normally, telling them no wouldn't be a problem, except for the fact that the good guys I protect think that I'm an even worse demon than the ones we fight. Hmm, maybe they're right. I have to say that I do enjoy maiming anyone who gets in my way. At least until my mother gives me a simple choice: join Morgen's Circle of the Damned or see an innocent woman die. I'm all for saving the innocent, but Merewyn isn't as innocent as she seems. And she's none too fond of the fact that her fate is in my dubious hands. Personally I'm all for taking the easy way out, but leaving her to Morgen is rough, even for me. Now the only way to save both our lives is to face the vilest forces ever known—my mother and Morgen. And two people who know nothing of trust must learn to rely on each other or die: provided we don't kill each

other first.

**Beyond the Highland Mist** Dec 16 2021 He would sell his warrior soul to possess her. . . . An alluring laird... He was known throughout the kingdom as Hawk, legendary predator of the battlefield and the boudoir. No woman could refuse his touch, but no woman ever stirred his heart—until a vengeful fairy tumbled Adrienne de Simone out of modern-day Seattle and into medieval Scotland. Captive in a century not her own, entirely too bold, too outspoken, she was an irresistible challenge to the sixteenth-century rogue. Coerced into a marriage with Hawk, Adrienne vowed to keep him at arm's length—but his sweet seduction played havoc with her resolve. A prisoner in time... She had a perfect "no" on her perfect lips for the notorious laird, but Hawk swore she would whisper his name with desire, begging for the passion he longed to ignite within her. Not even the barriers of time and space would keep him from winning her love. Despite her uncertainty about following the promptings of her own passionate heart, Adrienne's reservations were no match for Hawk's determination to keep her by his side. . . .

*The Highlander's Touch* Mar 19 2022 He would defy the boundaries of time for one night in her arms . . . He was a mighty Scottish warrior who lived in a world bound by ancient laws and timeless magic. But no immortal powers could prepare the laird of Castle Brodie for the lovely accursed lass who stood before him. A terrible trick of fate had sent her 700 years back in time and into his private chamber to tempt him with her beauty—and seduce him with a desire he could never fulfill. For this woman he burned to possess was also the woman he had foresworn to destroy. When Lisa felt the earth move under her feet, the fiercely independent 21st-century woman never dreamed she was falling . . . into another century. But the powerful, naked warrior who stood glaring down at her was only too real . . . and too dangerously arousing. Irresistibly handsome he might be, but Lisa had no intention of remaining in this savage land torn by

treachery and war. How could she know that her seductive captor had other plans for her . . . plans that would save her from a tragic fate? Or that this man who had long ago forsaken love would defy time itself to claim her for his own. . . .
