The Boys' Club Jun 12 2021 It's only my second week at Kensington School, and things are getting complicated. I thought my relationship with Harry was finished, but he came over late one night, apologized, and asked me to be his girlfriend. I swooned right there, in the middle of the street. And we are definitely back together. He calls me babe, brings me flowers, and is planning our first official date. Our relationship is growing, and I'm starting to want him in ways I never expected. I'm falling for him. But then there's Noah. I live in his house and share a bathroom with him, and we've had a few intense moments. But nothing compared to him sauntering into the room, declaring that I want him and that, at some point, he's going to give in to me. I know! The nerve. I'm not sure how I'm going to tell him that I'm dating his best friend again. Or how I'm going to keep my eyes off his shirtless chest. With tensions running high between Noah and me, Harry's ongoing family issues, my new friendship with Naomi, and Mohammad's party-planning skills, things are getting crazy.

The Key Mar 21 2022 It's my final day at Kensington School, and my exchange is coming to an end. My flight for New York leaves tomorrow, and I'm not ready to say goodbye to the boys I love. But then three key things happened at school. Noah told me to forget about him, Harry broke up with me, and I finally kissed Noah Williams. When I kissed him in the lunchroom in front of everyone, it was out of anger. I wanted to prove to Harry that I didn't have feelings for Noah. But I was wrong. The kiss was incredible. But it was also a mistake. Harry watched it happen, Mohammad sat in shock, and Noah told me that he would never forgive me. I made a huge, public mess of things. But thankfully, it's time for me to leave. I'm going to take Noah's advice and cut all ties. No good-byes. No apologies. No more heartbreak. I'm going to leave the three boys I love in London, hoping that they'll be able to pick up the pieces of their friendship. And maybe in the process, they'll find the pieces of my broken heart. Because I know I'll be going to New York without it.

Wild Child (a Soul Sister Novel) Jul 01 2020 The newest sizzling romance from Audrey Carlan, the #1 New York Times bestselling author of the Calendar Girl series. Twice my life changed in a single day. The first was when I lost my parents. Hand in hand I walked with my big sister up the steps of Kerrighan House, a foster home for girls. We were lucky to be met with open arms and a house filled with children just like us. Children who'd lost everything. From that day forward, we were raised as one big family. Our bonds of sisterhood were strengthened through shared experience, pain, sacrifice, and love. Sisters not by blood, but by choice. Soul sisters. The second day my life changed was on the worst day of my adult life. My boyfriend broke up with me via text. My sleazy boss hit on me, forcing me to quit a job I desperately needed. And the cherry on top, was getting pulled over by an FBI Agent. Little did I know, he'd also save my life that night. From the moment we met, Agent Fontaine wouldn't dare let me out of his sight. And between his alpha ways, kind brown eyes, and heroism, I was lost to the man who hid behind his job. But this agent had a rule: never fall for a woman you've saved. Yet I wasn't just any woman. I was known among my sisters for taking risks and dreaming big. I was the wild child of the group. We were raised to appreciate every day as the gift it was, and not let anything stand in our way. The more I got to know the brooding, serious FBI man, the more I realized maybe it was my duty to save him.
