[Luke](#) Aug 12 2021 Scot McKnight provides scholarly insights with a pastoral heart for all the books of the New Testament. The NIV is used as the primary Bible text but McKnight also includes insights from his own translation of the entire New Testament. Each Bible study features a short, compact, clear exposition that both summarizes the whole and gives the reader a clear focus for what is central to the passage. McKnight also offers some historical context; connects the passage to the larger story of the Bible; provides an illustration, a metaphor, or an image that brings the passage alive; and provides a list of 2-3 resources for further reading or study. The series is suitable for group study, personal study, or daily reading.

Post Corona Apr 20 2022 New York Times bestseller! "Few are better positioned to illuminate the vagaries of this transformation than Galloway, a tech entrepreneur, author and professor at New York University's Stern School. In brisk prose and catchy illustrations, he

vividly demonstrates how the largest technology companies turned the crisis of the pandemic into the market-share-grabbing opportunity of a lifetime." --The New York Times "As good an analysis as you could wish to read." --The Financial Times From bestselling author and NYU Business School professor Scott Galloway comes a keenly insightful, urgent analysis of who stands to win and who's at risk to lose in a post-pandemic world The COVID-19 outbreak has turned bedrooms into offices, pitted young against old, and widened the gaps between rich and poor, red and blue, the mask wearers and the mask haters. Some businesses--like home exercise company Peloton, video conference software maker Zoom, and Amazon--woke up to find themselves crushed under an avalanche of consumer demand. Others--like the restaurant, travel, hospitality, and live entertainment industries--scrambled to escape obliteration. But as New York Times bestselling author Scott Galloway argues, the pandemic has not been a change agent so much as an accelerant of trends already well underway. In *Post Corona*, he outlines the contours of the crisis and the opportunities that lie ahead. Some businesses, like the powerful tech monopolies, will thrive as a result of the disruption. Other industries, like higher education, will struggle to maintain a value proposition that no longer makes sense when we can't stand shoulder to shoulder. And the pandemic has accelerated deeper trends in government and society, exposing a widening gap between our vision of America as a land of opportunity, and the troubling realities of our declining wellbeing. Combining his signature humor and brash style with sharp business insights and the occasional dose of righteous anger, Galloway offers both warning and hope in equal measure. As he writes, "Our commonwealth didn't just happen, it was shaped. We chose this path--no trend is permanent and can't be made worse or corrected."

Principle Or Profit Sep 25 2022 Ever since Malcolm James was a child, cold blooded murder has played a significant part in his life. Whether it be from both of his parents being brutally assassinated

right in front of him, or having blood on his own hands, murder has been his reality. Constantly haunted and consumed by his own actions, the only thing stronger than Malcolm's thirst for blood, is his hunger for money and power! Flooding the crime ridden and gang infested inner city streets of Denver, Colorado with Cocaine and pounds of Kush, grindin, as his "Gang Green" squad of misfits commit robberies, mayhem and murder while on their way to the top. However, the sudden murder of Malcolm's friend and right hand man, not only cause the homicide rate to shoot through the roof, but also derails their mission. All while Malcolm battles with a dark secret brewing deep down inside, at which only "Tear Drop and Buds" are able to recognize and tame. Both OG's in the game graduating to bosses of a mountain west and west coast black underworld syndicate, whom eventually put Malcolm on the payroll as a triggerman, which of course leads to more problems, money, women, and deadly consequences. Why Principle or Profit you ask? Because nine times outta ten every time a life is taken out in these streets, it's a direct result of one or the other. To profit is self explanatory; however, principle could be ones personal belief, or even a weak emotion like jealousy and greed, to killing over territory, a debt, turf, stripes, or other principles of the streets. At the end of the day we all gotta go, so which one are you willing to die for?

Follow We Will Nov 27 2022 The financial collapse of Rangers has regularly been described as the biggest story in the history of Scottish sport. Takeover battles, police investigations and court cases dominated the front and back pages of Scottish newspapers and provoked much debate on social media: football was often a secondary concern. Rangers fans were forced to learn about the business side of the game in circumstances that could never have been imagined during earlier eras of regular success. It's safe to say the last 18

months have been difficult ones for the followers of the Light Blues. Follow We Will: The Fall and Rise of Rangers describes and analyses, from a Rangers perspective, all the relevant issues and events from an unprecedented period in the history of Scottish football. It praises the precious few heroes and identifies the many obstacles the club has had to face. This is the story of how the world's most successful football club found itself in the Third Division and the loyalty that started to propel it back to the top. All royalties arising from sales of this book will be donated to the Rangers Charity Foundation

Follow We Will Jul 23 2022 Nacho Novo When I left Spain for my Scottish adventure back in 2001, I could not have dreamt just how my career would take off. Six great years I spent at Rangers, making friends for life on and off the pitch. Yes, I won a league medal, scored the winning goal in a cup final, scored against Celtic and the winning penalty to take us to Manchester. However, what now gives me the greatest pleasure, is not only the memories, but knowing I am now a fan myself. I will be celebrating 55 like the rest of the Bears. Once a Ranger, always a Ranger. Robie Ferguson, Glasgow My first away trip abroad was to Bilbao in 1969, in the Fairs Cup. Since then, my love for Rangers has taken me on over 200 trips all over Europe, South Africa, USA, Canada & Australia. From cup games to pre-season friendlies and tours, I have made good friends all over the world. Every trip has been an adventure following The Rangers. Ross McGill, Union Bears Our club and support really are second to none, and this

experience at the time (in Leipzig) was a taster for the younger generation of trips to come and a bit of hope for our entire support, that natural order would one day be restored, and we would be back in Europe, following our club and at the top of Scottish football once again. Thankfully we are now there and 55 has been achieved. We are back...

One.Life Dec 28 2022 What is the "Christian life" all about? Studying the Bible, attending church, cultivating a prayer life, witnessing to others—those are all good. But is that really what Jesus has in mind? The answer, says Scot McKnight in One.Life, lies in Jesus' words, "Follow me." What does it look like to follow Jesus, and how will doing so change the way we live our life—our love.life, our justice.life, our peace.life, our community.life, our sex.life—everything about our life. One.Life will open your eyes to the full, compelling immensity of what it means to be a Christian. "Jesus offers to us a kingdom dream that transforms us to the very core of our being," says Scot McKnight. "His vision is so big we are called to give our entire life to it. His vision is so big it swallows up our dreams." Discover exactly what Jesus meant when he announced the arrival of God's kingdom. Equipping you with a new understanding of that kingdom's radical nature, One.Life shares profound, challenging, and practical insights on how to demonstrate its reality in your life. In many ways, what The Cost of Discipleship by Bonhoeffer challenged Christians to do in earlier generations, One.Life will do for a new generation. One.Life will call you beyond the flatlands of religiosity toward a kingdom vision that will shape everything you do.
