Father Paul Mankowski, S.J. (1953-2020), was one of the most brilliant and scintillating Catholic writers of our time. His essays and reviews, collected here for the first time, display a unique wit, a singular breadth of learning, and a penetrating insight into the challenges of Catholic life in the postmodern world. Whether explicating Catholic doctrines like the Immaculate Conception, dissecting contemporary academic life, deploring clerical malfeasance, or celebrating great authors, Father Mankowski's keen intelligence is always on display, and his energetic prose keeps the pages turning. Whatever his topic, however, Paul Mankowski's intense Catholic faith shines through his writing, as it did through his life. Jesuit at Large invites its readers to meet a man of great gifts who suffered for his convictions but never lost hope in the renewal of Catholicism, a man whose confidence in the truth of what the Church proposed to the world was never shaken by the failures of the people of the Church. /DIV> Conquering First Grade is a fun workbook designed to help students master key grade-level skills.
